Felt Wretched Until He Started To Take "Fruit-a-tives"

504 CHAMPLAIN ST., MONTREAL.
"For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I had frequent Dizzy Spells, and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints, and my hands swollen. A friend advised "Fruit-a-tives" and from the outset, they did me good. After the first box, I felt I was getting well and I can truthfully say that "Fruit-a-tives" is the only medicine that helped me". LOUIS LABRIE.

CAPTAIN RORVIK ON THE FISHERY QUESTION

(Continued from Page two.)

we are not interested with what has gone before, we are interested with what has been done by the Borden administration since conditions have changed—changes that have made it possible for the canneries to get a sufficient supply of men for fishing in this district, when they pay prices on a par with those paid on the Fraser river. For the last three years we have repeatedly made requests to the Borden Government to grant equal rights to all in District No. 2. The only one that has been granted is the permit of gas boats on the Skeena. I am not sure that this order in council specifies District No. 2. I understand that this order in council was passed last May, yet until Mr. Morrow made it public Saturday night, no one, including Mr. Morrow, was aware of the fact. I would ask Mr. Morrow to explain the reason the department had in not making this public.

Mr. Morrow was one of a committee that went to Ottawa to get certain concessions. He came back and gave us to believe that he had gained several. I ask him to tell us what they are outside of this one for gas boats on the Skeena, which is of questionable value in view of the secrecy maintained in connection with same.

I am prepared to state that the canneries are satisfied that if the Borden Government is returned to power that they will have the boat rating maintained, including the Prince Rupert and Sunnyside Canneries, thus making the combination we have to fight very much stronger.

As to cannery licenses, I question if the Dominion Government has ever refused a license on the Skeena river. In proof of my statement I wish to point to the Prince Rupert Cannery and the Sunnyside Cannery, who were granted licenses by the Federal Government, and refused by the McBride-Borden government. Mr. Morrow claims he was refused a license. Evidently Mr. Morrow wanted a number of licenses, as he obtained a license together with some others for the Cassiar Canneries. This was prior to 1909. The fact that he was interested in the Cassiar Cannery probably accounts for his not making any protest to Ottawa for the granting of boat ratings, etc. No, Mr. Morrow, the fishermen need look for nothing from a government headed by Sir Robert Borden. While you at a meeting some two weeks ago, stated that in voting for Peck you were not voting for Sir Robert Borden, permit me to point out that that statement requires some explanation. Sir Robert Borden is just as much at the head of this so-called Union Government as he was at the head of the Tory party when they appealed to the electorate in 1914, and made the unholy alliance with Bourassa and the other Nationalists who are responsible for the situation as it exists in Quebec today.

Thanking you, Mr. Editor, I am
Yours truly,
PETER RORVIK.

POINTS OF INTEREST FOR INTENDING VOTERS

There are many points about the Dominion elections act as affected by the war time elections act and the new provisions which will be applicable to the voting in the coming elections.

The following are some points which will be of interest to the voters in the coming federal election:—

Where provincial requirements as to residence cannot be applied at the time of making the lists the residential qualifications of voters is one year in the province and thirty days in the electoral district prior to the issuance of the writ of election.

Wives, widows, mothers, sisters and daughters of persons, male or female, alive or dead, who are serving or who have served outside of Canada in any of the military forces of Canada or Great Britain or within or without Canada in any of the naval forces, excepting such female relatives of persons who have ceased service in otherwise than an honorable manner are entitled to vote. No such relatives of persons who have joined the naval forces of Canada since the passing of the war time election act on September 20, 1917, will have the vote.

Lists to be Posted.

Fifteen days before the polling day (Dec. 17) lists of the voters in each polling subdivision will be posted in said subdivision. The enumerators then sit two hours per day for ten days preceding polling day to revise the list, answer inquiries and execute transfers of votes of election officers and agents whose duties may take them away from the polling subdivision on election day. Up to five days before election the enumerator may upon the representation of any credible person add or strike off the lists any name.

There are no printed lists. On election day electors whose names are not on the lists may appear before the enumerator who sits within or near the polling place. If they are entitled to vote they are given certificates. Any person who is refused a certificate may demand and obtain a written refusal which entitles him to a ballot which is sealed in a non-velope and not counted excepting in case of a recount and then only upon proof of his right to vote. Votes of persons challenged are treated in the same manner.

There is an enumerator in each polling subdivision. Entirely new lists are being made out in Prince Rupert. The lists when completed will be posted outside the polling booths or outside the postoffice.

May be Sworn.

Every person, whose name is on the list, can be sworn by candidate, agent, or elector, and if the oath is refused the voter loses the right to cast a vote in the election. The oath is:

"You swear that you are legally qualified to vote at this election, that you are of the (male or female) sex, a British subject, resident of Canada, and of the full age of 21 years. (In case of a female voter the following is added): You do further swear that you are the (wife, widow, mother, sister or daughter as the case may be) of a person who is serving or has served without Canada in the military forces (or within or without Canada in the naval forces) of Canada or of Great Britain in the present war."

The following people are unqualified to vote:

The judges of every court whose appointment rests with the governor-in-council;

Persons disenfranchised for corrupt practices under the act; Criminals, lunatics, inmates of
