

THE BLESSING OF A HEALTHY BODY

Has Not Had An Hour's Sickness Since Taking "FRUIT-A-TIVES".

MR. MARRIOTT
73 Lees Ave., Ottawa, Ont.,
August 9th, 1915.

"I think it my duty to tell you what 'Fruit-a-tives' has done for me. Three years ago, I began to feel run-down and tired, and suffered very much from Liver and Kidney Trouble. Having read of 'Fruit-a-tives', I thought I would try them. The result was surprising. During the 24 years past, I have taken them regularly and would not change for anything. I have not had an hour's sickness since I commenced using 'Fruit-a-tives', and I know now what I haven't known for good many years—that is, the blessing of a healthy body and clear thinking brain."

WILL CONSCRIPT MEN BUT WEALTH? NEVER!!

Why the Unionists throughout the country hold up their hands in holy horror at the very suggestion that wealth should be conscripted. Can you understand that attitude? What is there so sacred in the little pelf that a man has gathered around him that it should not be touched? A man's life, his liberty, his body, certainly conscript them away with them to the trenches, but the wealth; that is a sacred thing in the eyes of all true Tories and they will never touch it. The Tory Borden Union Government will never conscript wealth and they are frank enough to say it. Any Government that will conscript men without conscripting wealth is a Government that cannot be trusted to administer the affairs of a country.

THE POLITICAL GENERAL

The Lethbridge Herald says General Currie has been relieved of his command because he was in bad health. A report from Vancouver, says the General is coming back to Canada in the interests of the Government, or turned loose in France and England to round up the soldiers' votes for the Ministers. If General Currie is able to endure the rigors of a political campaign in Canada or to face the hardships of trying to get the soldiers to vote for the Ross rifle, there is not much the matter with his health.

The latest authentic reports are that General Currie was "canned" for inefficiency.

SOLDIERS' GRAVES

The cartoons that the Tory-Borden-Unionists have posted up in many prominent places showing a soldier's grave, draped with the Union Jack, is most disgraceful, and is an insult to the dead soldiers, the soldiers on active service, and to the electorate in general. This class of politics is an outrage and the government who is responsible for the posting of this have surely discredited themselves in the eyes of the respectable voter, and surely deserve the defeat they are going to get today.

BORDEN'S IDEA OF WEALTH CONSCRIPTION

The Tory-Borden-Union conscription of wealth is a graduating one. The more your income is, the less you pay. If you had the princely income of \$40,000 a year, you would be conscripted to the extent of only \$360 a year. Less than one dollar a day! And they call that conscription of wealth!!

BE CLEAN INTERNALLY

Over 500,000 People Are Now Doing So.

For many years physicians have agreed that 95 per cent. of human ills was caused by accumulated waste in the Lower Intestine; that in our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be; and that the poisons from this waste circulated through the blood pulled us away down below par and were responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for Internal Bathing has, because of their recommendation and those of its users, been steadily growing in favor.

Recently, however, the startling news, which has been covering the country that great surgeons and specialists have been operating on the Lower Intestine in such serious diseases as Tuberculosis, and attribute such conditions of chronic ill-health as Nervous Debility and Rheumatism to this cause, also saying that these poisons are favorable to the development of Cancer and Tuberculosis (as stated in a recent article in The New York Times), has caused people to become thoroughly awake to the importance of keeping this Lower Intestine free from all poisonous waste matter, and over 500,000 are now using Internal Baths.

This enthusiastic and grateful letter is by no means an exceptional one amongst the hundreds on our file:—

703 7th Ave. South, Lethbridge, Alberta.

Dr. Tyrrell, Toronto:

Dear Doctor Tyrrell:—After using your "J. B. L. Cascade" for four months, I feel it my duty as a thankful patient to express my enthusiasm for the great blessing it has been to me. You cannot feel my emotions as I write this letter in praise of you in your great work. Words simply fail to express my thankfulness for first learning of your cascade. Previous to using it I could not go a day without a drug of some sort, and since using it I have not, on my word of honor, swallowed five cents' worth of drugs. I spent over \$300.00 in the two years previous to hearing of the "J. B. L." Would that all the young men and women I see in this town with their faces covered with horrid, unsightly pimples would use it. They would soon get rid of them, as I did. I must stop, or I will be keeping you from your work, but I could fill ten more pages of my past condition of health, also in praise of the "J. B. L." May you enjoy this life to the full.

Sincerely yours,

William Devoy.

If you try the "J. B. L. Cascade" you will find yourself always bright, confident and capable—the poisonous waste makes us bilious, blue, dull and nervous. Internal Baths are Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.

Call and see it at Cyril V. Orme's Drug Store, Cor. 2nd Avenue and 6th St., Prince Rupert.

Ask for "Why Man of Today is Only 50 Per Cent. Efficient," a booklet of great interest, which is given on request. If you prefer, write at once to Chas. A. Tyrrell, M.D., 163 College Street, Toronto, for this book.

Serve Save Produce

EVERY ONE CAN do something for his country

Some can bear arms
Some can produce food
Some can make munitions
Some can give money

It is the privilege of all to help.

YOU CAN SERVE by Fighting—Working—Saving—Giving

This is NATIONAL SERVICE

Are YOU doing your part?

ALL EYES turn now to the Canadian Farmer, for he can render the Empire SPECIAL SERVICE in this sternest year of the war.

But—our farms are badly undermanned—25,000 men are needed on the land.

With insufficient help, the Man on the Land fights an uphill fight to meet the pressing need for Food.

CITY and TOWN can help.

Municipal Councils, Churches and Schools, and other organizations, both of men and women, can render National Service by directing all available labour to the Land.

Farmers themselves can exchange labour. School boys can assist.

Were you raised on a farm? Can you drive a team? Can you handle fork or hoe? If you can't fight, you can produce. Spend the Summer working on the Farm.

Let every man, woman and child in the Dominion who has access to Land, no matter how small the plot, make it produce Food in 1917.
