"For two years, I was a victim of Acute Indigestion and Gas In The Stomach. It afterwards attacked my Heart and I had pains all over my body, so that I could hardly move around. I tried all kinds of Medicine but none of them did me any good. At last, I decided to try 'Fruit-a-tives'. I bought the first box last June, and now I am well, after using only three boxes. I recommend 'Fruit-a-tives' to anyone suffering from Indigestion."

RED CROSS NOTES

Taken in conjunction with the collection in aid of the Halifax Relief Fund last week, which amounted to \$1,949, the amount realized from the sale of home-cooking on Friday, amounting to \$40.60, was quite good and the ladies in charge, Mrs. J. W. Potter and Mrs. Demers, are to be congratulated upon the result of their labors.

The residents of Port Clements are to be thanked for a contribution of \$67 to the funds of the Red Cross Society, made through Mrs. A. R. Mallory. These are the proceeds of a tea and social evening in Port Clements. The ladies there took possession of a pool-room and lunch counter. They managed the tables most efficiently.

The sale of home-cooking will be held in the Red Cross hut as usual, and will be under the charge of Mrs. Cowley and Mrs. Cambie. The city's housekeepers will be busy with the making of Christmas cheer at this time and they are reminded that the demand for home-cooking is always in much greater demand than the supply. Put in something extra this week for the boys at the front who are wounded.

The collection made throughout the city last week by the Red Cross Society in aid of the Halifax Relief Fund amounted to \$1,949. This amount has been collected without any local expenses whatever, and the whole of it goes to Halifax.

At last week's sale, the various articles drawn for were contributed and won as follows: Mr. J. C. Gavigan gave fruit, which was won by Mrs. P. W. Anderson; Mrs. J. W. Potter cream and sugar set, won by Mrs. J. C. Graham; W. J. McCutcheon thermos bottle, won by Mrs. J. W. Potter; Provincial Government, sack of potatoes, won by D. McNeil; Mrs. Gutstein, pickles won by Mrs. Stillwell; Mr. Killas, box of candy won by C. E. Betts; Mussallim Bros., box of apples, won by Mrs. Batt.

Christmas shoppers are asked to remember the supply of useful articles made by the Manual Training Class. These comprise teapot stands, tie racks, pipe racks, etc., and range in price from 10c up. By buying these, you help the Red Cross and encourage the boys.

The Prisoners of War branch have received the sum of \$10 through Mrs. Barge of Queen Charlotte City, towards the support of their adopted prisoner of war, Arthur Bristow, in Germany.

BE CLEAN INTERNALLY

Over 500,000 People Are Now
Doing So.

For many years physicians have agreed that 95 per cent. of human ills was caused by accumulated waste in the Lower Intestine; that in our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be; and that the poisons from this waste circulated through the blood pulled us away down below par and were responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for Internal Bathing has, because of their recommendation and those of its users, been steadily growing in favor.

Recently, however, the startling news, which has been covering the country that great surgeons and specialists have been operating on the Lower Intestine in such serious diseases as Tuberculosis, and attribute such conditions of chronic ill-health as Nervous Debility and Rheumatism to this cause, also saying that these poisons are favorable to the development of Cancer and Tuberculosis (as stated in a recent article in The New York Times), has caused people to become thoroughly awake to the importance of keeping this Lower Intestine free from all poisonous waste matter, and over 500,000 are now using Internal Baths.

This enthusiastic and grateful letter is by no means an exceptional one amongst hundreds on our file:—
703 7th Ave. South, Lethbridge, Alberta.
Dr. Tyrrell, Toronto:

Dear Doctor Tyrrell,—After using your "J. B. L. Cascade" for four months, I feel it my duty as a thankful patient to express my enthusiasm for the great blessing it has been to me. You cannot feel my emotions as I write this letter in praise of you in your great work. Words simply fail to express my thankfulness for first learning of your Cascade. Previous to using it I could not go a day without a drug of some sort, and since using it I have not, on my word of honor, swallowed five cents' worth of drugs. I spent over \$200.00 in the two years previous to hearing of the "J. B. L." Would that all the young men and women I see in this town with their faces covered with horrid, unsightly pimples would use it. They would soon get rid of them, as I did. I must stop, or I will be keeping you from your work, but I could fill ten more pages of my past condition of health, also in praise of the "J. B. L." May you enjoy this life to the full.

Sincerely yours,
William Devoy.

If you try the "J. B. L. Cascade" you will find yourself always bright, confident and capable—the poisonous waste makes us bilious, blue, dull and nervous. Internal Baths are Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.

Call and see it at Cyril H. Orme's Drug Store, Cor. 3rd Avenue and 6th St., Prince Rupert.

Ask for "Why Man of Today is Only 50 Per Cent. Efficient," a booklet of great interest, which is given on request. If you prefer, write at once to Chas. A. Tyrrell, M.D., 163 College Street, Toronto, for this book.

Serve Save Produce

EVERY ONE CAN do something for his country

Some can bear arms
Some can produce food
Some can make munitions
Some can give money

It is the privilege of all to help.

YOU CAN SERVE by Fighting—Working—Saving—Giving

This is NATIONAL SERVICE

Are YOU doing your part?

ALL EYES turn now to the Canadian Farmer, for he can render the Empire SPECIAL SERVICE in this sternest year of the war.

But—our farms are badly undermanned—25,000 men are needed on the land.

With insufficient help, the Man on the Land fights an uphill fight to meet the pressing need for Food.

CITY and TOWN can help.

Municipal Councils, Churches and Schools, and other organizations, both of men and women, can render National Service by directing all available labour to the Land.

Farmers themselves can exchange labour. School boys can assist.

Were you raised on a farm? Can you drive a team? Can you handle fork or hoe? If you can't fight, you can produce. Spend the Summer working on the Farm.

Let every man, woman and child in the Dominion who has access to Land, no matter how small the plot, make it produce Food in 1917.
