SANTA CLAUS WAS HERE YESTERDAY

Yesterday afternoon, the boys and girls of the Annunciation School entertained their parents in a programme of several well rendered numbers in the school, after which they were surprised by the visit from good old Santa Claus, who rewarded their efforts with a fine supply of Christmas goodies.

At the close, His Lordship Bishop Bunoz spoke a few words of encouragement to the children and also to the teachers upon the genuine interest they have displayed in the welfare of the little ones. One of the items in the programme submitted by the children was of outstanding merit. It was a triologue, entitled "A sick dolly" and was performed by Miss Lorna McLean, Miss Rita McLean and Master Rudolph Duffy. Many of the parents present expressed themselves as being more than satisfied with the progress of their children under the capable teaching of the Sisters.

Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McCary of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast. All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast. You'll find it is good on cakes and puddings.
