

PEACE PROPAGANDA IS COMMON IN GERMANY

Washington, Dec. 21.—The committee on public information today made public an article written by Germans and circulated in Germany urging the overthrow of the German war lords and the proclaiming of a republic. The document, which contains about 2500 words, and was distributed through German Republicans in Switzerland, declares that peace will not come until Hohenzollernism is overthrown and the German people take their stand for humanity and civilization.

Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McCary of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast.

All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast.

You'll find it is good on cakes and puddings.
