

TWO LONG YEARS HE SUFFERED

"Fruit-a-lives" Made Him Feel As If Walking On Air

ORILLIA, Ont., Nov. 28th, 1914.
"For over two years, I was troubled with Constipation, Drowsiness, Lack of Appetite and Headaches. One day I saw your sign which read 'Fruit-a-lives make you feel like walking on air.' This appealed to me, so I decided to try a box. In a very short time, I began to feel better, and now I feel fine. I have a good appetite, relish everything I eat, and the Headaches are gone entirely. I recommend this pleasant fruit medicine to all my friends."

BE CLEAN INTERNALLY

Over 500,000 People Are Now Doing So.

For many years physicians have agreed that 95 per cent. of human illness was caused by accumulated waste in the Lower Intestine; that in our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be; and that the poisons from this waste circulated through the blood pulled us away down below par and were responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for internal bathing has, because of their recommendation and those of its users, been steadily growing in favor.

Recently, however, the startling news, which has been covering the country that great surgeons and specialists have been operating on the Lower Intestine in such serious diseases as Tuberculosis, and attribute such conditions of chronic ill-health as Nerves, Debility and Rheumatism to this cause, also saying that these poisons are favorable to the development of Cancer and Tuberculosis (as stated in a recent article in The New York Times), has caused people to become thoroughly awake to the importance of keeping this Lower Intestine free from all poisonous waste matter, and over 500,000 are now using Internal Baths.

This enthusiastic and grateful letter is but no means an exceptional one amongst the hundreds on our file:—
703 7th Ave. South, Lethbridge, Alberta.
Dr. Tyrrell, Toronto:

"Dear Doctor Tyrrell:—After using your 'J. B. L. Cascade' for four months, I feel it my duty as a thankful patient to express my enthusiasm for the great blessing it has been to me. You cannot feel my emotions as I write this letter in praise of you in your great work. Words simply fail to express my thankfulness for first learning of your Cascade. Previous to using it I could not go a day without a drug of some sort, and since using it I have not, on my word of honor, swallowed five cents' worth of drugs. I spent over \$300.00 in the two years previous to hearing of the 'J. B. L.' Would that all the young men and women I see in this town with their faces covered with horrid, unsightly pimples would use it. They would soon get rid of them, as I did. I must stop, or I will be keeping you from your work, but I could fill ten more pages of my past condition of health, also in praise of the 'J. B. L.' May you enjoy this life to the full.

Sincerely yours,
William Devoy.

If you try the 'J. B. L. Cascade' you will find yourself always bright, confident and capable—the poisonous waste makes us bilious, blue, dull and nervous. Internal Baths are Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the 'J. B. L. Cascade' gently assists her.

Call and see it at Cyril H. Orme's Drug Store, Cor. 3rd Avenue and 6th St., Prince Rupert.

Ask for "Why Man of Today is Only 50 Per Cent. Efficient," a booklet of great interest, which is given on request. If you prefer, write at once to Chas. A. Tyrrell, M.D., 163 College Street, Toronto, for this book.
