## After Taking Only One Box Of "Fruit-a-tives"

EAST SHIP HARBOUR, N. S.

"It is with great pleasure that I write to tell you of the wonderful benefits I have received from taking 'Fruit-a-tives'. For years, I was a dreadful sufferer from Constipation and Headaches, and I was miserable in every way. Nothing in the way of medicines seemed to help me. Then I finally tried 'Fruit-a-tives' and the effect was splendid. After taking one box, I feel like a new person, to have relief from those sickening Headaches".

### AMERICAN ENGINEERS SHOW THEIR COURAGE

Paris, Dec. 27.—The conduct of the American engineers at Cambrai was praised in a letter written by General J. B. Seely, commanding a Canadian Brigade, to Wilson Cross, vice-president of the American Chamber of Commerce in London, which was read to the American Luncheon Club by F. B. Powell, the chairman.

"I am at home for a few days," Gen. Seely wrote, "and before returning to France I cannot help telling you of the extraordinarily gallant fight put up by a handful of American railway engineers during the second phase of the Cambrai battle. I happened to hear of it first hand, and the facts are worth recording.

"They were running their train forward at dawn and laying a line in front of it when they found themselves surrounded by Germans. No man thought of surrendering. Some fired with rifles to cover the retreat, and others fought hand-to-hand with crowbars and picks. Not one man of the party fell unwounded into the hands of the enemy."

## BE CLEAN INTERNALLY

Over 500,000 People Are Now Doing So.

For many years physicians have agreed that 95 per cent. of human ills was caused by accumulated waste in the Lower Intestine; that in our present way of living nature could not remove all this waste without assistance, no matter how regular we might be; and that the poisons from this waste circulated through the blood, and thus set up a chain of events which were responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for Internal Bathing has, because of their recommendation and those of its users, been steadily growing in favor.

Recently, however, the startling news, which has been covering the country that great surgeons and specialists in such serious diseases as Tuberculosis, and attribute such conditions of chronic ill-health as Nervous Debility and Rheumatism to this cause, also saying that these poisons are favorable to the development of Cancer and Tuberculosis (as stated in a recent article in The New York Times), has caused people to become thoroughly awake to the importance of keeping this Lower Intestine free from all poisonous waste matter, and over 500,000 are now using Internal Baths.

This enthusiastic and grateful letter is by no means an exceptional one amongst the hundreds on our file:—

703 7th Ave. South, Lethbridge, Alberta. Dr. Tyrrell, Toronto:

"Dear Doctor Tyrrell,—After using your 'J. B. L. Cascade' for four months, I feel it my duty as a thankful patient to express my enthusiasm for the great blessing it has been to me. You cannot feel my emotions as I write this letter in praise of you in your great work. Words simply fail to express my thankfulness for first learning of your Cascade. Previous to using it I could not go a day without a drug of some sort, and since using it I have not, on my word of honor, swallowed five cents' worth of drugs. I spent over \$300.00 in the two years previous to hearing of the 'J. B. L.' Would that all the young men and women I see in this town with their faces covered with horrid, unsightly pimples would use it. They would soon get rid of them, as I did. I must stop, or I will be keeping you from your work, but I could fill ten more pages of my past condition of health, also in praise of the 'J. B. L.' May you enjoy this life to the full.

Sincerely yours, William Devoy.

If you try the "J. B. L. Cascade" you will find yourself always bright, confident and capable—the poisonous waste makes us bilious, bine, dull and nervous. Internal Baths are Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.

Call and see it at Cyril H. Orme's Drug Store, Cor. 3rd Avenue and 6th St., Prince Rupert.

ASK for "Efficient Man of Today" is only 50 per cent. "Efficient," a booklet of great interest, which is given on request. If you prefer, write at once to Chas. A. Tyrrell, M.D., 163 College Street, Toronto, for this book.

# Serve Save Produce

## EVERY ONE CAN do something for his country

Some can bear arms  
Some can produce food  
Some can make munitions  
Some can give money

It is the privilege of all to help.

## YOU CAN SERVE by Fighting—Working—Saving—Giving

This is NATIONAL SERVICE

Are YOU doing your part?

## ALL EYES turn now to the Canadian Farmer, for he can render the Empire SPECIAL SERVICE in this sternest year of the war.

But—our farms are badly undermanned—25,000 men are needed on the land.

With insufficient help, the Man on the Land fights an uphill fight to meet the pressing need for Food.

## CITY and TOWN can help.

Municipal Councils, Churches and Schools, and other organizations, both of men and women, can render National Service by directing all available labour to the Land.

Farmers themselves can exchange labour. School boys can assist.

Were you raised on a farm? Can you drive a team? Can you handle fork or hoe? If you can't fight, you can produce. Spend the Summer working on the Farm.

Let every man, woman and child in the Dominion who has access to Land, no matter how small the plot, make it produce Food in 1917.
