## Are The Four Fruits Used in Making "Fruit-a-tives"

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

### GOVERNMENT MAY RUN THE PACKING HOUSES FOR DURATION OF WAR

Toronto, Jan. 7.—Government operation of Canadian packing houses for the duration of the war was hinted at in the County Judge's Criminal Court here by Mr. Gideon Grant, counsel for several West Toronto abattoir companies, which were charged with creating a nuisance. In the course of the evidence, Mr. Grant said he understood the Government contemplated passing an order in Council which would place all the Canadian packing houses under the jurisdiction of the Food Controller before the first of March next. In the meantime, Mr. Grant said the companies were doing their best to abate the nuisance. The concerns in question were the Harris Abattoir, Gunns Limited, and the Swift Canadian Company.

### AUSTRIAN POPULATION GETS ITALIAN FOOD

Washington, January 9.—The Austrian population is being fed with food taken from the Italians, according to an official despatch from Rome today, which read:

"Two military automobilists who were captured during the first onrush of the Austro-Germans have succeeded in escaping, and have joined the Italian forces by swimming the Piave. They have brought information about the ill-treatment inflicted by the invaders on the civil population of the invaded province.

"All money found in possession of the civil population has been confiscated by the enemy, who distributed bread cards. Men, women and children have been forced to work in the construction of wire entanglements and all sorts of defensive work.

"The Vienna Zeit relates that the Austrian population is being fed with food captured from the Italians.

"The Berlin press publishes a list of art treasures stolen in the invaded province of Italy, and gives the names of the German personalities who have visited the exhibition of these works of art.

### CLEANSE THE LARGE INTESTINE

#### Present War Cry of Advanced Physicians.

Some of the leading surgeons of the world have gone so far recently as to remove part of the Large Intestine in cases so serious as that of Tuberculosis and restored the patient to perfect health by so doing.

The New York American has recently said: "During Constipation the poisons in the Large Intestine often become so great as to form a serious menace to health and even to life. Through the walls of the Intestine they enter the blood and consume the healthy blood cells, impoverishing the blood, and if this process is continued long enough an acute poisoning is produced."

It is impossible under our present-day mode of living for the Intestine to rid itself of all waste, and it is easily proven that there is an accumulation, no matter how regular we are.

Drugs, if taken regularly, form a habit, but Internal Bathing by means of the "J. B. L. Cascade" cleanses the Lower Intestine its entire length with pure warm water and makes it clean, sweet and healthy.

At the same time it regulates the system and makes one feel that every function is working smoothly and naturally—and, indeed, this is so.

This letter will convey a message of good cheer to many:

Welland, Ontario. Dr. Chas. A. Tyrrell,

163 College Street, Toronto, Ont.:

Dear Sir,—We heartily endorse the J. B. L. Cascade, as we find in our work that a loaded colon means a poisoned system, which, in turn, means ligamentous contraction of the spinal muscles, against which our work is directed.

Anything helping us in gaining relaxation we consider a boon, both to ourselves and our patients.

Most sincerely, Drs. Hoxley and Garland.

Over five hundred thousand are now enthusiastic users of the "J. B. L. Cascade," which is now being shown and explained at Cyril H. Orme's Drug Store, cor. 3rd Avenue and 6th St., Prince Rupert.

Ask or write now, while you think of it, to Chas. A. Tyrrell, M.D., 163 College Street, Toronto, for free and interesting booklet, "Why Man of Today is Only 50 Per Cent. Efficient."

# Keep up the Food Supply and Help Make Victory Sure

OUR soldiers must be fed; the people at home must be fed. And—in spite of Germany's murderous campaign to cut off the Allies' Food supply, by sinking every ship on the High Seas—an ample and unfailing flow of food to England and France must be maintained.

This is National Service—Not to the Farmer only—But to YOU—to everybody—This appeal is directed

WE must unite as a Nation to SERVE—to SAVE and to PRODUCE. Men, women and children; the young, the middle aged and the old—all can help in the Nation's Army of Production.

EVERY pound of FOOD raised, helps reduce the cost of living and adds to the Food Supply for Overseas.

PLANT a garden—small or large. Utilize your own back yard. Cultivate the vacant lots. Make them all yield food

WOMEN of towns can find no better or more important outlet for their energies than in cultivating a vegetable garden.

Be patriotic in act as well as in thought.

Use every means available—Overlook nothing.
