Are The Four Fruits Used in Making "Fruit-a-tives"

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. ### CANADIAN RED CROSS' GOOD WORK AT HALIFAX

Of special interest to all who realize the wonderful organization and work of the Canadian Red Cross Society, both in its basic function as an emergency supply and in its wider sphere of war work will be the accounts published in the Halifax press of the part played by the organization following the Halifax disaster.

The Halifax Mail says in part: "Hereafter the praises of the Canadian Red Cross will not be left alone for the soldiers to sing. This great organization made possible the care of thousands of wounded with a swiftness that has saved many lives. The Canadian Red Cross were the first to arrive on the ground with any adequate supply of hospital supplies, dressings, etc., and since Saturday, December 8th, all urgent requirements of the different hospitals have been promptly met."

Mr. H. Millburn, chairman of the medical supplies of the Red Cross, was in St. John when the accident occurred. He acted with all speed and used every power of the organization to aid the sufferers. Two car loads of emergency supplies for hospital use were dispatched at once to the stricken city, and from the Red Cross Headquarters in Halifax literally hundreds of blankets, shirts, boots and clothing of all descriptions, dressing gowns and stockings, oil heaters, felt slippers, hot water bags, bovril and cocoa were handed out.

Over three hundred ladies were at work sewing on the second floor of the building continually. When the American Red Cross saw how effectively the Canadian Red Cross was working, they turned over all supplies into their hands for distribution.

### "FIRES OF CONSCIENCE"

William Farnum is the star to be screened at the Westholme Theatre tonight in a great photoplay entitled "The Fires of Conscience." The tale is a thrilling one, and abounds in exciting episodes. In this picture, William Farnum plays the part of George Baxler, a southerner, who has fled to the west because of having killed a man. Although the killing was perhaps justified, conscience demanded that justice be faced and the offence wiped out. How he is persuaded in this action, how the trial is heard by the father of the murdered man, and what happens after the return to the west are most exciting incidents. For a real thriller, this play is certainly one of the best. There will also be a fine comedy.

## CLEANSE THE LARGE INTESTINE

Present War Cry of Advanced Physicians.

Some of the leading surgeons of the world have gone so far recently as to remove part of the Large Intestine in cases so serious as that of Tuberculosis and restored the patient to perfect health by so doing.

The New York American has recently said:

"During Constipation the poisons in the Large Intestine often become so great as to form a serious menace to health and even to life. Through the walls of the Intestine they enter the blood and consume the healthy blood cells, impoverishing the blood, and if this process is continued long enough an acute poisoning is produced."

It is impossible under our present-day mode of living for the Intestine to rid itself of all waste, and it is easily proven that there is an accumulation, no matter how regular we are.

Drugs, if taken regularly, form a habit, but internal Bathing by means of the "J. B. L. Cascade" cleanses the Lower Intestine its entire length with pure warm water and makes it clean, sweet and healthy.

At the same time it regulates the system and makes one feel that every function is working smoothly and naturally—and, indeed, this is so.

This letter will convey a message of good cheer to many:

Welland, Ontario.  
Dr. Chas. A. Tyrrell,  
163 College Street, Toronto, Ont.:

Dear Sir,—We heartily endorse the J. B. L. Cascade, as we find in our work that a loaded colon means a poisoned system, which, in turn, means ligamentous contraction of the spinal muscles, against which our work is directed.

Anything helping us in gaining relaxation we consider a boon, both to ourselves and our patients.

Most Sincerely,  
Drs. Hoxley and Garland.

Over five hundred thousand are now enthusiastic users of the "J. B. L. Cascade," which is now being shown and explained at Cyril H. Orme's Drug Store, cor. 3rd Avenue and 6th St., Prince Rupert.

Ask or write now, while you think of it, to Chas. A. Tyrrell, M.D., 163 College Street, Toronto, for free and interesting booklet, "Why Man of Today is Only 50 Per Cent. Efficient."

## Keep up the Food Supply and Help Make Victory Sure

OUR soldiers must be fed; the people at home must be fed. And—in spite of Germany's murderous campaign to cut off the Allies' Food supply, by sinking every ship on the High Seas—an ample and unfailing flow of food to England and France must be maintained.

*This is National Service—  
Not to the Farmer only—  
But to YOU—to everybody—  
This appeal is directed*

WE must unite as a Nation to SERVE—to SAVE and to PRODUCE. Men, women and children; the young, the middle aged and the old—all can help in the Nation's Army of Production.

EVERY pound of FOOD raised, helps reduce the cost of living and adds to the Food Supply for Overseas.

PLANT a garden—small or large. Utilize your own back yard. Cultivate the vacant lots. Make them all yield food

WOMEN of towns can find no better or more important outlet for their energies than in cultivating a vegetable garden.

*Be patriotic in act as well as in thought.*

Use every means available—  
Overlook nothing.
