

NOTED MUSICIAN OF MONTREAL

Advises The Use Of "FRUIT-A-TIVES",
The Famous Fruit Medicine.

MR. ROSENBERG
589 Casgrain St., Montreal.
April 20th, 1915.

"In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as 'Fruit-a-tives'. I was suffering from these complaints for five years, and my sedentary occupation, music, brought about a kind of Intestinal Paralysis—with *nasty Head-aches*, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try 'Fruit-a-tives', and now for six months I have been entirely well.

I advise any one who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try 'Fruit-a-tives', and you will be agreeably surprised at the great benefit you will receive". A. ROSENBERG.

ALDERMAN MONTGOMERY MAYORALTY CANDIDATE TO THE CITY ELECTORS

(Continued from Page Two.)

which have become the property of the city through tax sales shall become revenue producing, so as to relieve the general taxpayer. This to be carried out with the view of supplying industrial sites wherever possible at a reasonable figure.

5. To enforce prohibition to the letter, and all other laws and by-laws, irrespective of who may be affected; the same to be carried out at a reasonable expense. We are now paying 200 per cent. more than similar cities in this province are paying, and in Prince Rupert we are not getting value for our money.

6. To place the city's utilities upon a self-supporting basis, and to remove the cause of our present deficit, which I claim is due to bad administration.

7. To adopt grading where practicable so as to abolish as far as possible plankings on our city streets.

8. Economy with efficiency shall be my policy with all city business.

9. It shall be my ambition to protect the general public in regard to prices, quality and sufficient supply of the commodities necessary for their use. Where private enterprise fails to supply these commodities at a reasonable price, it shall be my duty to find ways and means to overcome obstacles which appear to render the city powerless to act. On such occasions I will not hesitate to take action.

10. I can see no reason why permission cannot be granted to householders to cut a supply of wood for their homes, where timber is not available for lumber. This will assist the coal supply in this city, which has not been satisfactory of late owing to the difficulty in obtaining supplies and in their transportation. I shall attempt to obtain permission and to assist with roadways if possible.

11. I shall consider it my duty to assist in every way possible any and all legitimate industries, which will be in any way an asset and shall try all ways and means to provide sites and power for such enterprises.

Ladies and Gentlemen, you have got my record for investigation for five terms as alderman for your city, which I rely on, and if you find it satisfactory, I ask for your support on election day. If I am elected, I shall devote my whole time to the city business, with which I am familiar. I will give you a progressive, sane and fair administration for 1918.

I remain,

Yours respectfully,
W. H. MONTGOMERY.

You are required to contest the claim of the tax purchaser within 35 days from the date of the service of this notice (which may be effected by publication), and your attention is called to section 36 of the "Land Registry Act" with amendments, and to the following extract therefrom:—

"And in default of a caveat or certificate of its pendency being filed before the registration as owner of the person entitled under such tax sale, all persons so served with notice, . . . and those claiming through or under them, and all persons claiming any interest in the land by virtue of any unregistered instrument, and all persons claiming any interest in the land by descent whose title is not registered under the provisions of this Act, shall be for ever estopped and barred from setting up any claim to or in respect of the land so sold for taxes, and the Registrar shall register the person entitled under such tax sale as owner of the land so sold for taxes."

AND WHEREAS application has been made for a Certificate of Indefeasible Title to the above-mentioned lands, in the name of Anne Duffy:

AND WHEREAS on investigating the title it appears that prior to the 14th day of September, 1915, (the date on which the said lands were sold for overdue taxes), you were the assessed owner thereof.

FURTHER TAKE NOTICE that at the same time I shall effect registration in pursuance of such application and issue a Certificate of Indefeasible Title to the said lands in the name of Anne Duffy unless you take and prosecute the proper proceedings to establish your claim, if any, to the said lands, or to prevent such proposed action on my part.

CLEANSE THE LARGE INTESTINE

Present War Cry of Advanced Physicians.

Some of the leading surgeons of the world have gone so far recently as to remove part of the Large Intestine in cases so serious as that of Tuberculosis and restored the patient to perfect health by so doing.

The New York American has recently said:

"During Constipation the poisons in the Large Intestine often become so great as to form a serious menace to health and even to life. Through the walls of the Intestine they enter the blood and consume the healthy blood cells, impoverishing the blood, and if this process is continued long enough an acute poisoning is produced."

It is impossible under our present-day mode of living for the Intestine to rid itself of all waste, and it is easily proven that there is an accumulation, no matter how regular we are.

Drugs, if taken regularly, form a habit, but Internal Bathing by means of the "J. B. L. Cascade" cleanses the Lower Intestine its entire length with pure warm water and makes it clean, sweet and healthy.

At the same time it regulates the system and makes one feel that every function is working smoothly and naturally—and, indeed, this is so.

This letter will convey a message of good cheer to many:

Welland, Ontario.
Dr. Chas. A. Tyrrell,
163 College Street, Toronto, Ont.:

Dear Sir,—We heartily endorse the J. B. L. Cascade, as we find in our work that a loaded colon means a poisoned system, which, in turn, means ligamentous contraction of the spinal muscles, against which our work is directed.

Anything helping us in gaining relaxation we consider a boon, both to ourselves and our patients.

Most sincerely,
Drs. Hoxley and Garland.

Over five hundred thousand are now enthusiastic users of the "J. B. L. Cascade," which is now being shown and explained at Cyril H. Orme's Drug Store, cor. 3rd Avenue and 6th St., Prince Rupert.

But to YOU—to everybody—
This appeal is directed

WE must unite as a Nation to SERVE—to SAVE and to PRODUCE. Men, women and children; the young, the middle aged and the old—all can help in the Nation's Army of Production.
