The train which pulled into the depot yesterday about two o'clock, most certainly did have the appearance of having been dug out of a snow drift. Every part of the locomotive and train, to which snow or ice could attach itself, had its covering.

The "Prince Rupert" had a record passenger list on leaving here yesterday afternoon. The special train load of passengers from the prairies more than took up all her accommodation, and besides which there were a number of local passengers.

**BOLSHEVIKI SHOW UP
GERMAN PEACE TERMS**

Petrograd, Jan. 12.—The Izvestia yesterday gave the text of a pamphlet which the Bolsheviks are circulating in the German lines, in which it is declared that the peace conditions submitted by the Central Powers show the Austro-German promises of a democratic peace to be "unconscionable lies."

After describing the actions of the Germans in Poland and Lithuania in recruiting for forced labor, and shooting hunger strikers, the pamphlet continues:

"The German government only found support in Courland from the hated slave-owners, the German barons, who have their prototypes in the Polish land-owners."

The document declares Germany desires to free the peoples on Russia's western frontier from the scope of the Russian revolution in order to subjugate them with German capital, impose an Austrian Monarchy on Poland, and make Lithuania and Courland German Duchies. It concludes: "On such a basis the Russian Workmen's Government can never enter negotiations."

**GERMAN PRESS DO NOT
LIKE PREMIER'S SPEECH**

Amsterdam, Jan. 10.—German newspapers containing comment on Premier Lloyd George's speech on war aims of Saturday, reached Amsterdam today.

The Vossische Zeitung of Berlin says:

"This, the first tangible British peace offer, is a fresh indication of our strength, and a proof of England's weakness. Peace conditions at the expense of our allies are unacceptable to us; likewise, peace terms offering the return of our colonies in exchange for reinforcement of the British position in Asia."

Lloyd George has made it clear to our allies that the German armies are fighting in the west at least as much for them as for Germany."

Old Aims Maintained.

The Volks Zeitung says:

"Lloyd George's declarations show a tone in regard to us which is indeed changed, but the old imperialistic aims are wholly maintained. The British premier believes his first declaration that he does not desire the destruction of Germany by his subsequent statement that he wishes to detach Alsace-Lorraine and give to Poland portions of Prussian territory in the east. Despite assurances to the contrary, he also wishes to rob Austria-Hungary and Turkey."

The Lokal Anzeiger says:

"Under a flow of phrases is apparent the old desire to smash Germany's power forever and safeguard England's power forever. The answer to this will be spoken by our armies in the west and by our U-boats."

U. Suga, formerly of Sixth Ave., has now moved into the Bay View Hotel.

Whipped Cream**

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McGary of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast.

All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast.

You'll find it is good on cakes and
