OTHER AIR RAIDS ON LONDON BY GERMAN AEROPLANES

FIFTEEN ENEMY MACHINES CROSS COAST, BUT ONLY FIVE REACH THE CAPITAL, WHICH WAS RAIDED TWICE—OVER TWO HUNDRED KILLED AND INJURED—ONE OF ENEMY RAIDERS DESTROYED

(Special to The Daily News.)

London, Jan. 30.—About fifteen German aeroplanes, of which four or five reached London, took part in the first of two raids on the city and district last night. It is officially announced that only one of the raiders engaged in the second attack penetrated very far into the city. One of the enemy machines was brought down, falling in flames for a distance of ten thousand feet through the air. All the three members of the crew of this luckless machine were burned to death.

Considerable damage was done

to various parts of London by the bombs dropped from the Hun raiders, and the casualties so far have amounted to forty-seven killed and one hundred and sixty-nine injured in this raid.

The enemy squadron was bombarded by the anti-aircraft guns, and also attacked by the British aviators, and their flight over the city was not of long duration. It was quite sufficient, however, to enable them to do considerable destruction.

Stewart, W. E. Williams, F. Clapp, J. D. McAulay, and E. C. Gibbons. The report for the last year was adopted, and the usual reports from the matron and the Ladies Auxiliary were received.

Thanks were expressed for the good work done. The Hon. T. D. Pattullo was re-elected Honorary President and Mr. D. C. Stewart as auditor.

A motion was made by Mr. W. E. Williams, seconded by Alderman Rochester to the effect that the provincial government be asked to bear the cost of all maternity cases in the hospital up to the amount of the private ward cases.

The bylaws will be amended to permit of the Ladies Auxiliary appointing two members to the board, to sit with the members from the City Council, who are Aldermen Kirkpatrick and Barrie.

This is the day appointed for the official counting of the votes cast in this district at the Dominion election on the 17th of December. The returning officer will personally count every vote cast in this parliamentary division.

FIGHTING NOW GENERAL IN ALL THE RUSSIAS

Disturbances are Rife Throughout Whole Country—Ukrainians Are Successful With Bolsheviks.

(Special to The Daily News.)

Stockholm, Jan. 30.—The progress of the revolutionists continues in Finland. Russian soldiers are openly aiding the Red Guards, and further reinforcements are coming forward from Petrograd. The Finnish minister in Petrograd has protested to the Workmen and Soldiers' Delegates against the interference of the Russians in Finnish domestic affairs. He received the reply that the Russian government by virtue of its principles, is in duty bound to support the proletariat in Finland in its battles against the Finnish Bourgeoisie.

Will Visit Allies.

London, Jan. 30.—The report that Trotsky, the Bolshevik foreign minister, and Kamenoff, are on their way back to Brest-Litovsk to resume the peace negotiations with the Central Powers, is denied by the semi-official Russian News Agency. The despatch sent out by the agency states that Kamenoff is going to Stockholm, London and Paris, with the object of informing the allied governments concerning the progress of the peace negotiations.

In the Ukraina.

Geneva, Jan. 30.—After three days' fighting, the troops of the Ukrainian Rada defeated the Bolshevik army, and have taken possession of the city of Lutsk. The fighting was extremely severe and the losses on both sides were heavy. Several battalions of the Red Guards and several regiments of the regular troops have been ordered to Bessarabia to reinforce the Bolshevik forces in the south.

In Siberia.

Harbin, Manchuria, January 30.—Twenty-two killed is the toll of dead as the result of the fighting at Tomsk, where the Bolsheviks broke up a meeting of the Workmen's and Soldiers' Delegates. The dispatches state that the Bolsheviks wrecked the local assembly and that fighting and robbery is general.

FISHERY MATTERS FULLY DISCUSSED

Independent Boat Owners and Fishermen's Association Meet City Council.

In the city hall last evening, there was a meeting of the Independent Boat Owners and the Fishermen's Associations with members of the City Council to discuss matters pertinent to the fishing industry. His worship the mayor presided, and in a few words explained the object of the meeting and the reasons why it had been called.

The proposed trap for herring at Pearl Harbor was the first matter taken up. Ald. Dybhavn explained how the project, when put forward by an individual has been turned down by the Fisheries Department. The idea is to keep herring alive in Pearl Harbor until they are required for bait for the halibut fishermen, and thus relieve the shortage for several months in the year. There was quite a lot of discussion on the matter, and it was finally moved by Mr. G. W. Nickerson and seconded by Capt. Rorvik that the general idea be supported and endorsed, and that the fishery committee of the city council meet with the other organizations interested, and work out the details.

There were many suggestions and reflections offered re this project. There was some discussion as to how herring would keep for the space of thirty days in a trap. Capt. Rorvik thought that it should contain at least a thousand tons. Mr. Harry Lipsett told of what was done in this direction at other points on this northern coast, while Capt. Stoddard was of the opinion that the trap should be made portable, and capable of being removed from place to place wherever the fish were most plentiful. The urgency was impressed by Mr. G. W. Nickerson, as the spawning time was close at hand. The mayor, Ald. Casey and Mr. W. H. Montgomery were all for immediate action and the cutting off of red tape, and the getting down to business. That gill netting was the proper fashion to catch the herring was the opinion of Mr. W. Sims, whose opinion was backed by Mr. McAlenan. Mr. Robert Hannah spoke of the fish in Wark Channel.

Salmon Fishing.

With regard to the restrictions upon the salmon fishing areas, Mr. G. W. Nickerson read a telegram from Mr. J. A. Cunningham, of Vancouver, president of the B. C. Manufacturers' Association, to the effect that Vancouver is with District No. 2, of which Prince Rupert is the centre, in anything they may do to get the fishing

ITALIANS ON THE OFFENSIVE BREAK ENEMY'S LINE IN NORTH

AUSTRO-GERMAN POSITIONS STORMED AND FIFTEEN HUNDRED PRISONERS CAPTURED—TWELVE ENEMY AEROPLANES ALSO TAKEN—REINFORCING COLUMNS BROKEN BY ARTILLERY

(Special to The Daily News.)

Rome, Jan. 30.—The Italian troops made a heavy attack yesterday on the northern mountain front and broke into the enemy lines. The War Office reports the reinforcements which the enemy was hurrying down the Nos and Campanula valleys were dispersed by the artillery fire of the

Italians and their allies. Twelve of the enemy aeroplanes were brought down. The Italians held the mastery of the air everywhere. More than fifteen hundred prisoners were captured by the Italian troops. They stormed the enemy positions on the heights east of the Asiago basin and broke through at several points, resisting violent counter attacks.

RED CROSS NOTES

The monthly business meeting of the Red Cross Society will be held in the Court House on Saturday first, February 2nd, at 3 p. m.

The sale of home-cooking held in the Red Cross hut last Friday afternoon realized the sum of \$63.00. The public are thanked for their continued and growing support. The supply of home-cooking is increasing again now that the holidays are over, but the demand still continues to be just a little greater than the supply.

The following articles were drawn for last Friday: Mrs. J. G. Steen presented tea which was won by Mrs. W. J. Smithers; Mrs. Vickers, hand-knit socks, won by Capt. Rorvik; Mrs. D. H. Morrison, cigars, won by Mr. H. E. Walker; gold ring, won by E. J. Cobb; E. Sinclair gave a five dollar gold piece, which was won by W. O. Fulton; Fritz Schultz gave tobacco won by S. J. Evans; Mrs. Morrow, a lace handkerchief, won by S. J. Evans; Mrs. Frizzell, bust of Admiral Jellicoe, won by Capt. Rorvik.

Mrs. Vance and Mrs. W. T. Kergin will have charge of the sale of home-cooking on Friday in the Red Cross hut on Third Ave. A mounted bird valued at \$50 will be drawn for. This was shot by Mr. Cameron, of Stewart, and mounted by Mr. Mobley.

Through the kind permission of Captain MacKenzie and officers of the G. T. P. "Prince Rupert" a concert was given on board by Mrs. M. Albert on January 14th, which realized \$142.35. Mrs. Albert asks that half this amount be granted to the Halifax Relief Fund and half to the local Red Cross Society. This contribution is gratefully acknowledged.

areas thrown open. It is probable that a delegation from Vancouver will be leaving for Ottawa to take the matter up with the government, and possibly Prince Rupert will be represented as well.

It was moved by Mr. W. E. Williams and seconded by Alderman Dybhavn that this meeting go on record as protesting against the fishery regulations obtaining in this district at the present time, and that copies of this resolution be forwarded to Premier Borden, Premier Brewster and the Hon. Mr. Ballantyne, minister of marine and fisheries.

CARD OF THANKS

The Women's Auxiliary of the Great War Veterans Association wish to thank Mrs. Eggert and Captain Freeman for their kind donations of \$5 each.

ONTARIO GOES RANCHING TO INCREASE SUPPLIES

Toronto, Jan. 29.—Millions of acres of waste land, suitable for ranching, are available in the province of Ontario, according to a survey just completed by the department of agriculture, and the government has decided to select an area, probably in Parry Sound, of 5,000 acres, where average conditions exist, for the purpose of establishing a combination sheep and cattle demonstration ranch. The idea is to encourage cattle and sheep ranching on a large scale, with a view to developing certain sections of Ontario and increasing the meat supply of the province. The government will carry out experiments in the growing of hay and fodder, in the matter of breeding and in determining the proper class and grade of cattle for the climate and general conditions.

AT THE WESTHOLME

The Bluebird is having another night at the Westholme Theatre this evening. "What Evil Women Do" is the title of the photoplay in which Rupert Julian and Hobart Henley appear with an all-star cast. It was recorded many years ago that the evil men do lives after them, and tonight in showing what evil women do, this play is an enlargement upon the thought of Shakespeare. It is a big five reel play, and one which will hold the interest to the end. There is as well a fine comedy, which will bring the house down, and a splendid Universal Gazette showing views of the National Army in the making. It also shows two million dollars' worth of munitions going up in smoke at the burning of a great munitions factory in the east. There are pictures of the Boy Scouts as well, and many other up-to-date views of interesting things.
