WHEN you send subscriptions to magazines, or order goods out of town, or pay small accounts at a distance, do not place the actual cash in the envelope. Thousands of dollars are lost every year through fire, robbery or mis-direction. Use the Bank Money Orders, issued by this bank. They are payable in Canada and the United States in any sum up to fifty dollars.

Their protection is well worth their small cost.

SCHWAB THINKS THAT THE SOONER THE BETTER

New York, Jan. 26.—Charles M. Schwab, president of the Bethlehem Steel Corporation, declared in an address at a dinner here last night that the time is near at hand "when the men of the working class—the men without property—will control the destinies of the world."

"The Bolshevik sentiment must be taken into consideration," Mr. Schwab declared, "and in the very near future we must look to the worker for a solution of the great economic questions now being considered. I am not one to carelessly turn over my belongings for the uplift of the nation, but I am one who has come to the belief that the worker will rule and the sooner we realize it the better it will be for our country and the world at large."

Mr. Schwab's address was delivered at a dinner of the Alumni of Grammar School No. 40, of which he is a graduate. He said it was the first public dinner he had attended this winter and that he was present only because of his loyalty to the school.

CONSCRIPTION FOR FARMS AS FOR ARMY

Quebec, Jan. 28.—Conscription of men for work on the farms, on the same basis as men being conscripted for the army was the argument used by Hon. J. E. Caron, minister of agriculture, presiding at a meeting of the agricultural committee of the legislature last night to deal with the high cost of living.

"A delegation of labor men, the leaders of which were Narcisse Arcand, chairman of the Quebec executive of the Dominion Trades Congress, and M. Walsh, of Quebec, another member of the executive, objected to labor being conscripted for farms, claiming that it would not be fair to take men from \$5, \$6 and \$10 a day jobs to make them go on the land at \$1.10 daily.

"If it is fair to do so to get men for the army, then it should be fair to do it for the farms," said Mr. Caron.

Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McCarty of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast.

All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast.

You'll find it is good on cakes and

Keep Chickens

This is National Service

They will help Keep you

The cost of meat is the heavy item in the food bill.

Poultry and Eggs will help take the place of meat.

The food that goes to the garbage pail from the average table will provide one-third the feed for a flock of 8 to 10 hens.

Poultry will thrive where vegetables will not grow. The outlay is small. A few minutes a day is all the time required.

A small flock in your back yard will go far to keep you supplied with eggs, broilers and roasters.

How to go about it

BUY eggs for hatching or day-old chicks; borrow or buy a brood hen or an artificial brooder. A slatted packing-box will house the hen and chicks. Feed the chicks bread crumbs soaked in milk and squeezed dry. Feed five times a day, alternating with prepared chick feed, only so much as they will eat up clean. Remember that a hungry chick is a healthy chick.

CAUTION: Chicks must not be fed until at least 48 hours old, and then only sparingly.

If you can, start now with eggs or chicks; if not, arrange at once with the local poultry association for pullets in the fall.
