**TRUE SOCIALISM AS  
PRACTICED IN B. C.**

If the Bolsheviks or any other Socialistic body wishes to witness a true manifestation of its theories it should come to Hazelton when the Indians are holding one of their sporadic potlaches. The custom appears to be for the wealthiest of the natives to spend all their money in order to provide their poorer brethren the good things of life, Indian style, effectually "breaking" themselves for some time to come, but achieving consequent glory and respect in the measure in which they depleted their bank accounts. One of the local leaders, Chief Spagha (Johnny Patsey), alone spent \$700 in one week, and other bidders for popularity among their native clansmen expended in like proportion. Thus the rich become poor and the poor are enabled to juggle some coins in their pockets for a while at least. The essence of true Socialism!—The Omineca Miner.

**AT THE WESTHOLME**

The play billed for the Westholme Theatre this evening shows two most famous actors, who have a world-wide reputation. E. H. Sothern and Peggy Heyland are stars of the first magnitude and in this play they live up to their reputation. The play is a fine one in itself, and with these two in the stellar roles, something very fine is the result. Owing to some unaccountable occurrence, Charlie Chaplin did not arrive in the city last evening, and will be unable to appear tonight. It is feared that Charlie has been recognized and kidnapped on his journey north. Search parties are already out and it is hoped that he will be located and brought here before the end of the week. The Gazette shown last evening was a very fine one and it will be repeated tonight. The numerous war views have attracted a great deal of attention, and show conditions as they really are at the front. General Haig is there, and His Majesty decorates wounded soldiers. There are quite a number of German prisoners. Altogether, this Gazette is one of the best.

For Prince Rupert and district, we have secured the services of Mr. Martin Kroeger, F.R.H.S. Prince Rupert, B. C., phone Red 399. Consult him about your garden problems. British Columbia Nurseries, Ltd., Vancouver, B. C.
