

# DANGER LURKS IN EVERY ONE OF US

We Are As Full of Deadly Poisons As A Germ Laboratory.

## AUTO-INTOXICATION OR SELF-POISONING

"FRUIT-A-TIVES" Absolutely Prevents This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated, is poisoning himself. We know now that Auto-intoxication, due to non-action of the bowels, is directly responsible for serious Kidney and Bladder Troubles; that it upsets the Stomach, causes Indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain In The Back, are relieved as soon as the bowels become regular; and that Pimples, Rash, Eczema and other Skin Affections disappear when "Fruit-a-tives" are taken to correct Constipation.

"Fruit-a-tives" will protect you against Auto-intoxication because this wonderful fruit medicine acts directly on all the eliminating organs. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

## Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McCary of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast. All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast. You'll find it is good on cakes and

### THE CONFERENCE OF PROVINCIAL PREMIERS

Ottawa, Feb. 16.—The conference of provincial premiers was in session until 5:30 this afternoon, when an adjournment was made until Saturday. Discussion throughout the day covered practically all the subjects on the agenda with the exception of the transfer of natural resources to the prairie provinces, colonization and immigration, and the sale of school lands.

Consideration of the subjects before the conference—increased production, supply of farm labor, care of returned soldiers, and fuel production and distribution—was not closed. It was understood that they may be brought up again at future sessions of the conference.

While no decision on the point has been reached, it is considered likely that the deliberations will extend over until the early part of next week.

Ron. J. A. Calder, minister of immigration and colonization, is presiding over the conferences.

### BRITAIN MAY DEPORT BOLSHEVIKI MINISTER

London, Feb. 16.—The authorities are considering the activities of Maxim Litvinoff, the Bolsheviki representative in London. Although he has not been recognized by the government, Litvinoff has been issuing among munition workmen pamphlets, bearing the seal "The Russian Peoples' Embassy," which the newspapers assert are incitements to revolution. In the House of Commons yesterday, Noel Pemberton-Billing, Independent, asked whether Litvinoff was to be deported as an undesirable alien. The home secretary replied that the matter was receiving his attention.

It is recalled that Leon Trotsky the Bolsheviki foreign minister, recently protested strongly that the British and American embassies in Petrograd had tried to interfere in Russian politics but that Sir George Buchanan, the British, and David R. Francis, the American ambassador, declared these charges were unfounded.

## You Can Make Excellent Cake With Fewer Eggs

Just use an additional quantity of Dr. Price's Cream Baking Powder, about a teaspoon, in place of each egg omitted.

This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

CREAM LAYER CAKE	
Old Way	New Way
1 cup sugar	1 cup sugar
1/2 cup milk	1 cup milk
2 cups flour	2 cups flour
2 teaspoons Dr. Price's Baking Powder	4 teaspoons Dr. Price's Baking Powder
3 EGGS	1 egg
1/2 cup shortening	2 tablespoons shortening
1 teaspoon flavoring	1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTIONS—Cream the sugar and shortening together, then mix in the egg. After sifting the flour and Dr. Price's Baking Powder together, two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white icing.

## Keep up the Food Supply and Help Make Victory Sure

OUR soldiers must be fed; the people at home must be fed. And—in spite of Germany's murderous campaign to cut off the Allies' Food supply, by sinking every ship on the High Seas—an ample and unending flow of food to England and France must be maintained.

This is National Service—  
Not to the Farmer only—  
But to YOU—to everybody—  
This appeal is directed

WE must unite as a Nation to SERVE—to SAVE and to PRODUCE. Men, women and children; the young, the middle aged and the old—all can help in the Nation's Army of Production.

EVERY pound of FOOD raised, helps reduce the cost of living and adds to the Food Supply for Overseas.

PLANT a garden—small or large. Utilize your own back yard. Cultivate the vacant lots. Make them all yield food

WOMEN of towns can find no better or more important outlet for their energies than in cultivating a vegetable garden.

Be patriotic in act as well as in thought.

Use every means available—  
Overlook nothing.
