Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McCay of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast.

All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast.

You'll find it is good on cakes and

HUNS CREATE DIVISION AMONG THE BELGIANS

Amsterdam, Feb. 16.—Les Nouvelles (Maastricht) reports that the Belgian government, having ordered the Belgian judges in the occupied territory to prosecute all activists guilty of having announced the fall of the king's government and of proclaiming autonomy in Flanders, the three presidents of the Brussels court of cassation placed under arrest Pierre Tock and Dr. August Borrm, leaders of the activist movement.

The Germans immediately hastened to the palace of justice in Brussels and answered the presidents, at the same time releasing Borrm and Tock. The news spread like wildfire and delegates representing Brussels societies met in the main square, where a demonstration of thousands of persons was being carried out. The police and soldiers charged and fired upon the crowds, several soldiers and civilians being killed or wounded.

The three magistrates were sent to Germany. Later the court of Cassation met and decided to resign in a body if the three magistrates were not released. All the Belgian tribunals have united and have decided to stick.

The Belgian people, everywhere, according to this report, are in a state of extreme indignation against the Flemish inhabitants.

Furniture wanted. Any quantity. Good prices paid for complete household furnishings and all kinds of tools, men's suits, oots, etc. Phone Red 243 or call B. F. M. Crosby, 715 Third Ave.
