QUESTIONS ARE ASKED ABOUT BEAVERBROOK

London, Feb. 16.—In the house of commons, P. Alden, Liberal member for Totenham, asked what were the special qualifications of Lord Beaverbrook for the position of minister of propaganda, why it was linked up with the Duchy of Lancaster, and, seeing that the former office affected the United States, whether the premier could assure the house that Lord Beaverbrook was 'persona grata in America.'

W. F. Roch, Liberal member for Pembrokeshire, asked precisely what duties would be carried out by Lord Beaverbrook besides the duties connected with the chancellorship of the Duchy of Lancaster and whether Lord Beaverbrook was a member of the war cabinet.

Right Hon. A. Bonar Law replied: "Lord Beaverbrook will undertake duties in connection with propaganda which had been performed by Sir Edward Carson prior to his resignation. The prime minister offered Lord Beaverbrook the appointment because he thought he would do the work successfully. Lord Beaverbrook is not a member of the war cabinet."

A. F. Whyte, Liberal member for Perth, affirmed that the appointment created widespread dissatisfaction.

Mr. Bonar Law replied: "Perhaps Mr. Whyte is a better judge of that than I am."

Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McCary of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast.

All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast.

You'll find it is good on cakes and
