Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McCary of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast.

All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast.

You'll find it is good on cakes and

TRADE PENETRATION OF SIBERIA ALREADY BY GERMAN FIRMS

(Special to The Daily News.)
Harbin, Manchuria, Feb. 27. — German goods already have re-appeared far east of Irkutsk, according to information received here. German merchants are active in Harbin and the Bolsheviks are arming released German prisoners to guard the Siberian Railway and facilitate the movement of traffic.

A British mining engineer named Piper, who has arrived here from Krasgoyarsy, says the Bolsheviks have seized the gold mines there and that Austro-German prisoners are working them. The Austro-Germans have plenty of money and are purchasing permits to allow them to circulate freely in Siberia. The Germans are taking charge of electric power stations, railways and depots. Quantities of raw materials are being supplied to Germany from the district. Most of the Germans are said to speak Russian.

Piper declares that unless the Allies take immediate steps to send supplies and raw materials in Siberia the intellectual and peasant classes will throw themselves into the hands of the Germans. Goods are being sold at pre-war prices by the Germans, who also are securing contracts and concessions as well as carrying on propaganda work.

Mr. and Mrs. McLenaghan, father and mother of Mrs. McClymont, accompanied by Miss Gertrude McLenaghan, arrived back in the city last evening after visiting the southern cities for a few weeks. They will visit here for some time before proceeding to their home at Portage la Prairie.

A Clergyman's Wife Wants Women to Know Advantages of Internal Bathing

If women could only see the thousands of letters Dr. Tyrrell has received from grateful women in all parts of the world, thanking him for his wonderful invention for Internal Bathing, they would soon discard the medicine bottle and look to the cause of their trouble. 95 per cent. of all human ills are due to accumulated waste in the Colon or Large Intestine. Warm water, properly used with the "J. B. L. Cascade," will relieve the cause of your troubles and perfect health will follow.

A Winnipeg clergyman writes: "My wife is naturally sensitive about having her name appear in public print, yet is anxious that others should know what the "J. B. L. Cascade" has done for her. It has really given her a new lease of life. For years she had been doctoring for Constipation, which became worse every year. Since using the "J. B. L. Cascade," first about 4 years ago, she has not been sick a day, and has become robust and strong again. Should any person wish this letter confirmed, you are at liberty to give my name in private."

The "J. B. L. Cascade" is shown and explained by Cyril H. Orme, Third Avenue, Prince Rupert, B.C.

The "J. B. L. Cascade" is an invention, perfected by Dr. Chas. A. Tyrrell of New York, and has done more during the past few years to restore health and lessen disease than all other means combined. Ask for booklet explaining all about Internal Bathing and what it has done for others." It is free.
