"THE MAN OF MYSTERY."

Tonight at the Westholme Theatre, there will be screened one of the most powerful of photo dramas which have ever been put on. The star actor is E. H. Sothern, one of the most famous of modern day actors, who left the speaking stage for the silent. Sothern has a reputation which has preceded him wherever there is a stage, and the quality of his acting is well known. In this play, he gets full opportunity for his great powers. Rising to great heights of dramatic intensity, the play throughout takes a high level, and will hold the audience entranced from beginning to end. There will also be a comedy and a fine gazette, showing some of the latest views of world wide interest.

Appendicitis Operations Not Always Necessary

Internal Bathing Relieves the Cause

Your physician will tell you that Appendicitis is an inflamed condition of the little sack called the Appendix at the lower right-hand corner of the Colon or large intestine. By cleansing this Colon with purified warm water by the "J. B. L. Cascade" this sack is cleansed and the inflammation subsides. Hundreds of operations have been avoided by using the warm water cure for Appendicitis. Mr. Jas. McLaughlin, 91 Evanston street, Winnipeg, writes:—"I had spent over fifty dollars with doctors trying to cure Appendicitis. Finally the doctor said I must go to the hospital at once for an operation. Your advertisement interested me. I bought a "J. B. L. Cascade," which relieved me at once, and am now completely cured. Never felt better in my life; all pain and soreness gone, and I eat and sleep like a boy. I am grateful to Dr. Tyrrell for this wonderful health-giving invention." 95 per cent. of all human ills are caused by accumulated waste in the Colon. Internal Bathing with the "J. B. L. Cascade" keeps this large intestine as free from all waste and as clean as nature demands it should be for perfect health. Ask Cyril H. Orme, Druggist, corner 3rd Ave. and 6th St., for booklet called "Why Man of Today is Only 50 Per Cent. Efficient." It is free. He will also be pleased to show and explain the "J. B. L. Cascade" to you.
