Local News Notes

Knights of Pythias will hold a Social Dance on April 8. Invitations only. tap2

Mr. E. J. Conway, of the Granby Company at Anyox, arrived in town last evening.

Mr. W. F. Boyer of Skeena City was among the arrivals from up river last evening.

Mr. G. W. Powell the, G. T. P. agent at Skagway, accompanied by Mrs. Powell arrived in the city last evening from the East, on their way north.

Special information regarding the products of Gold Seal Ltd., who have been using our columns lately for advertising may be had from Mr. H. E. Ross, of the Empress Hotel. See him first. 1f.

An inquest was held at Anyox last week by Dr. Hyde, Coroner to investigate the death of Alphonse Flores, who died of injuries received in the mine. A verdict of accidental death was brought in.

A special meeting of the Fish Packers Union will be held on Thursday evening at 8 o'clock. After the business of the meeting, a social entertainment will be provided. A good attendance is requested. (56)

Word has been received in town from Mr. H. O. Edmunds, late of the City Hall staff here. He is now Court Stenographer in Tulsa County, Oklahoma, which state, he says is the nearest modern approach to the old "West" when it was wild and woolly.

Three Austrians were convicted at Anyox, of a breach of the Prohibition Act by Mr. H. Andrew, stipendiary Magistrate. Two were fined \$75.50 and one \$50.50. Other two Austrians, being alien enemies, were also fined \$5. each for not reporting there whereabouts to the Police.

The "Prince George" is not expected to arrive in port this evening until around four o'clock. The delay in her arrival is on account of the heavy traffic arising between the coast points. Judging by the size of the train, which is being held for the arrival of the steamer, she has a large number of passengers for eastern points. There are four sleepers as well as the large dining car.

Word had been received by Mr. E. A. Woods from Frank Salter, late of this city, and now somewhere in France, telling of the sad information of the death of Mrs. Salter. They were only married on April, 1917, and on the 18th of January, Sergeant Salter's wife died of cerebro-spinal meningitis. Sergeant Salter left here with the first contingent, and is now with the Canadian Pioneers. His many friends in town will regret to hear of his loss.

Appendicitis Operations Not Always Necessary

Internal Bathing Relieves the Cause
 Your physician will tell you that Appendicitis is an inflamed condition of the little sack called the Appendix at the lower right-hand corner of the Colon or large intestine. By cleansing this Colon with purified warm water by the "J. B. L. Cascade" this sack is cleansed and the inflammation subsides. Hundreds of operations have been avoided by using the warm water cure for Appendicitis. Mr. Jas. McLaughlin, 91 Evanson street, Winnipeg, writes:—
 "I had spent over fifty dollars with doctors trying to cure Appendicitis. Finally the doctor said I must go to the hospital at once for an operation. Your advertisement interested me. I bought a "J. B. L. Cascade," which relieved me at once, and am now completely cured. Never felt better in my life; all pain and soreness gone, and I eat and sleep like a boy. I am grateful to Dr. Tyrrell for this wonderful health-giving invention."
 95 per cent. of all human ills are caused by accumulated waste in the Colon. Internal Bathing with the "J. B. L. Cascade" keeps this large intestine as free from all waste and as clean as nature demands it should be for perfect health. Ask Cyril H. Orme, Druggist, corner 3rd Ave. and 6th St., for booklet called "Why Man of Today is Only 50 Per Cent. Efficient." It is free. He will also be pleased to show and explain the "J. B. L. Cascade" to you.
