PACIFIC NORTH WEST MUCH TALKED OF IN THE EAST

For the purpose of giving authentic information of the Pacific North West to the people living in the Eastern States and provinces, the Pacific Northwest Association is doing great work. The tale of the West is being told in the East, with the result that as the days go by, an increasing number of eastern visitors come to witness the wonders of this western seaboard. Mr. F. B. Riley and Mr. F. I. Jones are two of the Association's lecturers who have conducted a series of lectures in the Eastern cities, with striking success. It is not only the wonderful opportunities for recreation and sport, which this western coast of America provides which is emphasised, but the rapid strides the Pacific Northwest is making in development of its efforts in shipbuilding, the production of material for aeroplanes, and other win the war activities. Industrial and agricultural features are actually of more importance than those of the playground which the Northwest affords, and these are not to be overlooked.

Everywhere, where these lectures have been given in the Eastern cities, they have been received with acclamation, together with the demand for further education along the same lines. That the effect of this advertising of British Columbia, together with Washington and Oregon, in the East will draw attention to her resources, is undoubted, and will result in a much greater attention being paid to the development of our resources.

No Camouflage!

There's not a word in the text or descriptive matter of this advertisement which would deceive or mislead buyers of liquor in any way.

WE DO NOT SUBSTITUTE. We have the goods—the real article. We fill your order-true to brand, to quality, to strength. When you buy from us your shipment is taken from the largest and best selected stock in Canada. It is backed by the guarantee of a responsible company which has been in business in British Columbia for 20 years, the managers of which are known all over the province as responsible men.

WE PREPAY ALL EXPRESS CHARGES. Beware of firms quoting liquor f.o.b. at various points or making indefinite statements as to shipping charges. Express charges to B.C. points are high. Our method takes care of all this. Our price means actual delivery (all charges—except, jugs, kegs, packages, war tax etc.—paid) at your door or nearest station.

Many firms do not state in advertisements that prices are f.o.b. shipping points; this is fraudulent advertising, because express charges are very high. In comparing our prices, remember first we ship genuine goods and no substitution—then remember we pay all charges.
