Nothing Like Internal Bathing for Constipation

If people only knew what Internal Bathing is doing for thousands of others there would be fewer Pills and Laxatives swallowed and very much less suffering from Constipation and the accompanying Stomach and Nervous troubles resulting from it.

Mrs. Cave, 841 Ellery St., Victoria, B. C., writes:—
"Before using the 'J. B. L. Cascade' I suffered constantly from Constipation, had frequent bilious attacks and sick headaches. Since beginning your system of Internal Bathing with the 'J. B. L. Cascade' four months ago, I have not had one attack and feel stronger and better in every way. My only regret is that I did not get a Cascade sooner."

By the proper application of nature's cure, warm water, by means of the 'J. B. L. Cascade' the lower intestines are kept free from all poisonous waste. Drugs force Nature. Internal Bathing assists her. Dr. Chas. A. Tyrrell of New York, a specialist on Internal Bathing, invented and perfected the 'J. B. L. Cascade,' which has done more during the past 20 years in restoring health and lessening disease than all other means combined. Ask Cyril H. Orme, druggist, cor. 3rd Ave. and 6th St., for Booklet, 'Why Man of Today is Only 50 Per Cent. Efficient.' He will also be pleased to show and explain the J. B. L. Cascade to you.

Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McCary of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast.

All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast. You'll find it is good on cakes and
