

When Women are Weak

Women who *feel* weak, languid and depressed—who *look* pale and dull-eyed, and have lost appetite and fresh looks—need a tonic that will purify the blood, help the organs of digestion, regulate the liver and bowels, and strengthen the system. It long has been known that

Beecham's Pills

are a blessing to weak women, for they quickly correct womanly ailments, improve the appetite, purify the blood and re-establish healthy conditions. They are safe to take as they are purely vegetable and without any harmful drug. A few doses will bring better spirits, improved health and a feeling of fitness.

THE MODEST KAISER.

The Kaiser is a violet,
As modest as they grow,
Like Goldsmith's Man, the Kaiser wants
But little here below.
They say he's been that way since birth,
Shy as a young gazelle.
The Kaiser only wants the earth—
But what he'll get is—hell.

Nothing Like Internal Bathing for Constipation

If people only knew what Internal Bathing is doing for thousands of others there would be fewer Pills and Laxatives swallowed and very much less suffering from Constipation and the accompanying Stomach and Nervous troubles resulting from it.

Mrs. Cave, 845 Ellery St., Victoria, B. C., writes:

"Before using the "J. B. L. Cascade" I suffered constantly from Constipation, had frequent bilious attacks and sick headaches. Since beginning your system of Internal Bathing with the "J. B. L. Cascade" four months ago, I have not had one attack and feel stronger and better in every way. My only regret is that I did not get a Cascade sooner."

By the proper application of nature's cure, warm water, by means of the "J. B. L. Cascade" the lower intestines are kept free from all poisonous waste. Drugs force Nature. Internal Bathing assists her.

Dr. Chas. A. Tyrrell of New York, a specialist on Internal Bathing, invented and perfected the "J. B. L. Cascade," which has done more during the past 20 years in restoring health and lessening disease than all other means combined. Ask Cyril H. Orme, druggist, cor. 3rd Ave. and 6th St., for booklet, "Why Man of Today is Only 10 Per Cent Efficient." He will also be pleased to show and explain the "J. B. L. Cascade" to you.

LEARN WHAT THE CANADIAN
PATRIOTIC FUND IS DOING
IN PRINCE RUPERT

What the Canadian Patriotic Fund Has Done

Since the Prince Rupert Office was established in 1914 the Fund has paid out to dependents of Prince Rupert men at the front

\$23,000.00

During 1917 the Grants and Regular Payments to dependents of Prince Rupert soldiers now overseas or in training totalled

\$10,000.00

ADMINISTRATIVE EXPENSES, 1917, WERE \$42.00

These Payments Have Not Been Made As "Charity Doles"

The fund belongs to the dependents of Prince Rupert soldiers and the attitude of the local executive is that it is merely a trustee whose duty it is to see that the money reaches those who stand in need of its aid

Regardless of personal opinion this work must be carried on in behalf of those who are fighting for us, until such time as it is taken over by the Government, and

PRINCE RUPERT MUST AND

WILL DO HER DUTY!
