Since He Commenced to Take "Fruit-a-lives"
78 LEES AVENUE, OTTAWA, ONT.
"Three years ago, I began to feel run-down and tired, and suffered very much from Liver and Kidney Trouble. Having read of 'Fruit-a-lives', I thought I would try them. The result was surprising.
I have not had an hour's sickness since I commenced using 'Fruit-a-lives', and I know now what I have not known for a good many years—that is, the blessing of a healthy body and clear thinking brain."

REVEILLE.

It's dawn on a winter morning,
Dawn with a streak of gray;
With me asleep in the blankets,
Dreaming my time away;
Snuggled under the white top
Just as the gray mist clears,
Dreaming of the other mornings,
Back through a thousand years
And then with a call that echoes
Dear as the funeral drum,
Cutting my heart to ribbons—
The Reveille says "Come!"

It's dawn on a winter morning,
With a red streak through the trees
With me asleep in the blankets,
Dreaming of peace and ease;
Dreaming of days behind me,
Far from the kharkied brave,
Far from a stove unlighted
And a tent as cold as the grave;
And then with a blare that tosses
Its woe to the winter skies,
Tearing my soul to pieces—
The Reveille says "Rise!"

The guns of the Huns are one thing,
Part of a big day's job.
The big gas shells are another,
Bringing their thrill or throb;
Life's in a dugout's nothing
To bring on a ringing cheer,
But give me the big shells crashing,
Give me the guns to hear—
Give me the Hun's worst answer,
Give me the charging drum
When out of the cold dawn's shadows
The Reveille says "Come!"

Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.
Mrs. McCary of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast. All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast. You'll find it is good on cakes and

The cost of meat is the heavy item in the food bill. Poultry and Eggs will help take the place of meat. The food that goes to the garbage pail from the average table will provide one-third the feed for a flock of 8 to 10 hens. Poultry will thrive where vegetables will not grow. The outlay is small. A few minutes a day is all the time required. A small flock in your back yard will go far to keep you supplied with eggs, broilers and roasters.
