AT THE WESTHOLME

The programme offered tonight at the Westholme theatre is a very full one, and is sure to please all the audience. There is a five reel film drama, combining all the thrills and sensation of a melodrama, yet it is not one of the impossible kind. It deals with the everyday affairs of this life, affairs, some of which have happened to most people at some time or other. "The almighty dollar" is a play that will be appreciated by all who see it. The stars in this drama are of the front rank, and June Elvidge has very many admirers here. Then there is a Triangle comedy, which is one of the best. It is full of fun, pure and simple, with a dash of mystery to lend a spice to the expectation; while to complete the programme, there is a war Gazette. This is showing some of the latest scenes in connection with the great armies which the allies are piling up for the final defeat of the Germans. It is well worth seeing.

Insomnia Cured Without Drugs

Internal Bathing Relieves the Cause

If you do not sleep there is always some cause. Don't start dosing with drugs. Nerves can't consume them. Relieve the cause and a good, sound sleep will be the result.

The system cannot be right if the Colon or large intestine is not kept clean and free from all waste matter. Bathe internally if you want perfect health.

Mr. F. C. Voigt, Rapid City, Man., writes:—"For several years I suffered from indigestion, Nervous Debility, Insomnia and Constipation. Had no appetite, and doctors did not expect I would live throughout the winter. Your book interested me. I got a 'J. B. L. Cascade' and in a few days obtained remarkable results. I now sleep and enjoy my meals better than for years before. I regard the 'J. B. L. Cascade' as a Godsend to me."

The 'J. B. L. Cascade' is a perfected appliance for Internal Bathing, invented by Dr. Chas. A. Tyrrell of New York, and has been the means of restoring thousands to perfect health. It is shown and explained by Cyril H. Orme, Druggist, cor. 3rd Ave. and 6th St., who will be pleased to give you an interesting book called "The What, The Why, The Way of Internal Bathing" on request. Ask for it.
