MIGHT IS RIGHT?

A year ago Russia was one of the first powers in the world. Today it is one of the most tragic wrecks in history, and the enemy is salving from the ruins whatever may be of use to him in strengthening his power to hold the Russian people in serfdom and to carry on his campaign for the destruction of liberty throughout the world.

outrage and murder. Having conjured the spirit of might in defiance of right, it is in the course of retributive justice that the Bolshevik leaders find themselves victims of the same spirit, at the hands of an organized and efficient enemy. The unfortunate part is that the innocent suffer with the guilty, and that the Russian people through the misleading of this faction, are now at the mercy of those who made Belgium the synonym for unspeakable atrocities.

Bessie is a bright one. The other day her teacher set her and her school mates to drawing, letting them choose their own subjects. After the teacher had examined what the other children had drawn she took up Bessie's sheet.

"Why, what is this?" she said. "You haven't drawn anything at all child."

"Please teacher, yes I have," returns Bessie. "It's a war picture—a long line of ammunition wagons at the front. You can see 'em, 'cause they're camouflaged."

Counsel was examining plaintiff in a breach of promise case, and asked:

"Was defendant's air when he promised to marry you perfectly serious, or one of levity and jocularity?"

Complainant—"If you please sir, it was all ruffled with him running his hands through it."

Counsel—"You misunderstood made in utter sincerity?"

"No, sir, it was made in the my meaning. Was the promise wash-house," replied the plaintiff, amid roars of laughter.
