

CONSTANT PAIN AFTER EATING

The Tortures of Dyspepsia Corrected by "Fruit-a-tives"

Sr. MARTIN'S, N.B.
 "For two years, I suffered tortures from Severe Dyspepsia. I had constant pains after eating; pains down the sides and back; and horrible bitter stuff often came up in my mouth.
 I tried doctors, but they did not help me. But as soon as I started taking 'Fruit-a-tives', I began to improve and this medicine, made of fruit juices, relieved me when everything else failed."

NEW EQUIPMENT FOR CANADIAN RAILROADS

Ottawa, March 20.—Hon. Dr. Reid, Minister of Railways, is arranging for new rolling stock, locomotives and rails for Canadian railways this year aggregating a total cost of approximately forty million dollars. In addition to the 100,000 tons of steel rails to be rolled by the Dominion Iron & Steel Co., and the rails secured in the United States, as announced yesterday, the Railway Department is ordering 7,500 new freight cars, 150 locomotives and several hundred new colonist sleepers and other passenger cars. The colonist sleepers will be required to accommodate the big movement of troops to be expected when the influx of returning soldiers really starts in. The freight cars will include a large number of coal cars to relieve the scarcity evident this winter. All the new equipment will be ordered on Government account, but deliveries will be allocated to all railways as needs require.

Prices submitted in the tenders received are very high as compared with pre-war prices. Box cars, for instance, now cost from \$2,600 to \$2,800 each, as compared with \$1,400 each before the outbreak of the war. Locomotives have increased in cost by 150 per cent., and now run at about \$60,000 each.

In an effort to reduce costs through pooling orders by the Government, officials of the Railway department are investigating costs of raw material and of manufacture, and arrangements may be made with the manufacturers or Governmental purchase of iron and steel supplies at minimum cost, through co-operation with the United States Government.
