

# DANGER LURKS IN EVERY ONE OF US

We Are As Full of Deadly Poisons As A Germ Laboratory.

## AUTO-INTOXICATION OR SELF-POISONING

"FRUIT-A-TIVES" Absolutely Prevents This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated, is poisoning himself. We know now that Auto-intoxication, due to non-action of the bowels, is directly responsible for serious Kidney and Bladder Troubles; that it upsets the Stomach, causes Indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain in The Back, are relieved as soon as the bowels become regular; and that Pimples, Rash, Eczema and other Skin Affections disappear when "Fruit-a-tives" are taken to correct Constipation.

"Fruit-a-tives" will protect you against Auto-intoxication because this wonderful fruit medicine acts directly on all the eliminating organs. See a box, 6 for \$2.50, trial size 25c. At all dealers or sent on receipt of money by Fruit-a-tives Limited, Ottawa.

## VERMILION, ALBERTA, SUFFERS FROM FIRE

Edmonton, April 12.—Starting from an insignificant blaze in a small warehouse, but developed by the strong wind, a fire rapidly grew out of control until the heart of the business section of the town of Vermilion was totally destroyed. The loss is estimated at half a million. The slight conflagration which originally broke out was considered as of no importance, but the flames spread with such rapidity, fanned by the breeze, that in a very short space of time, twenty-five of the business blocks were demolished, and nothing left but a heap of smouldering ruins. The post office and the branch of the Royal Bank are among the buildings destroyed.

## ROMANOFF FAMILY WORK UNDER GUARDS

Moscow, April 11.—Members of the former Russian imperial family living in the Crimea have been greatly restricted in their movements. They are not permitted to visit one another. All of them, even former princesses, are now working in the gardens under armed guards.

All the members of the Romanoff family residing in the Petrograd district have been ordered exiled to Perm and Vologda, in the Ural mountain region. According to the Reanneye Outro, the Council of Soldiers' and workmen's delegates of Vologda has refused to admit them to the city.

## GERMAN PRISONERS MOBILIZE IN SIBERIA

London, April 9.—While the Russian Bolsheviki authorities deny it, says a dispatch from Harbin by way of Tokio to the Daily Mail, there are 60,000 armed German prisoners mobilized at Tomsk, Siberia, and destined for the far east.
