

NO MORE KIDNEY TROUBLE

Since He Commenced to Take "Fruit-a-lives"

73 LEE AVENUE, OTTAWA, ONT.
"Three years ago, I began to feel run-down and tired, and suffered very much from Liver and Kidney Trouble. Having read of 'Fruit-a-lives', I thought I would try them. The result was surprising."

I have not had an hour's sickness since I commenced using 'Fruit-a-lives', and I know now what I have not known for a good many years—that is, the blessing of a healthy body and clear thinking brain."

THE DAILY NEWS

WENT DOWN IN HEAPS BUT STILL KEPT COMING

London, April 15.—"You could have shot them down with your eyes shut," said a wounded machine gunner, "in describing how the Germans attacked on the western front, according to the correspondent there of the Daily Mail. 'We fired straight into them and they went down in heaps, yet we could not stop them. It was one down and another come on.'"

The correspondent quotes other remarks from wounded soldiers which was indicative of the unconquerable British defenders, and which bear out their testimony to the terrible toll the Germans are paying for every foot they advance. The correspondent says wounded soldiers agreed that the Germans outnumbered the defenders at least two to one.

"Aye, we're never far away," a wounded Highlander replied to the remark of the correspondent that the Highlanders seemed to get into all the battles. He proceeded to tell how his regiment was on a canal bank when the Germans tried to cross.

"They advanced on both flanks, coming up on each side in the attempt to get across. We were to hold our fire and waited until they were well in view. Then, when there were hundreds before us, we let fly. Man, it was murderous."

A Yorkshireman, who was standing nearby, broke into: "That may be, but that was no better than when we saw them along the side of a hedge. They did not expect us to be so near. We pumped bullets into them with Lewis guns until our bodies ached."

IDLERS IN CALGARY BEING ROUNDED UP

Calgary, April 15.—Idlers in Calgary are being gathered in by the police. Twenty unemployed men were lodged in the cells at headquarters on charges under the new order-in-council recently issued by the Dominion government. Chief Cuddy had his men take every loafer on the streets and in the poolrooms into custody. These men will be brought before the police magistrate and the maximum penalty will be \$100 and costs, with an option of three months' imprisonment.
