Mr. T. H. Penn, and Mr. E. W. Hawkins, of Surf Inlet, have arrived in Prince Rupert on a visit.

The death occurred at the Prince Rupert General Hospital last evening of Ely Enich, a Serbian, who came down from Anyox a week ago. He was suffering from bronchial pneumonia. He was 46 years of age. His brother, Mike Enich, is in town. The funeral arrangements are in the hands of Haynor Bros.

New white shoes and pumps.—Wallace's. 94

A gruesome find has been reported to the provincial police office here from Terrace. In an old shack some two miles east of Terrace, which would be on the other side of the Little Canyon, a human skeleton was found yesterday. No details have yet been received, and the matter will be investigated further.

New delivery of boys' wash suits.—Wallace's. 94

On account of slides, which are to be expected at this time of the year, the railroad track has become blocked somewhere around Kitwanga, and possibly at other places. The train due last evening is stalled, and also the one which left on Saturday. It is hoped to get them free this evening. The officials of the G. T. P. are making every effort to have the line cleared as soon as possible.

Boys' and girls' outing, running shoes.—Wallace's. 94

Paying a visit to one of the bars the other day, where he had not been since prohibition came into effect, one of our local citizens idly glanced over the gaily colored liquids on tap. "Gimme a glass of that stuff," he said, pointing to one glass jar. The color had evidently taken his fancy. The bartender did so, and gave him what he asked. The next time this citizen will enquire the names of things, for what he got was liquid soap, and it had no kick.

Splendid selection High Grade Shoes.—Wallace's. 94

A subscriber, who evidently considers that he has a stake in the drydock plant, sends in the following ad: For Sale—Magnificent drydock, with all necessary plant and staff for the handling of ships up to 20,000 tons. Absolutely unused except for exhibition purposes. Will be sold as a going concern, or by the ton—Worth \$3,000,000 to anyone who knows how it works, but will accept \$50 in full settlement, \$25 cash and \$25 per month. If paid cash down, will throw in framed photos of Sir Robert Borden and Sir Geo. E. Foster, both of whom have shown great interest in dock, situate "under a curse," but the dock is probably all right. Hurry, for we need the money, and anyway the government may suddenly decide to operate it. Apply Daily News Office. Mark envelope "drydock."

## STIRRING DRAMA AT WESTHOLME THEATRE

A tale of the West, of the bandit of the wide open spaces, who robs with impunity whom he will, and at the same time, a story of the now silent and gone forever "Barbary Coast" of San Francisco, true to detail; a story of love, of cross purposes, of a beautiful wild pony; of a fight which for sheer spectacular features has no parallel in screen battles, are these not all to be seen on the screen at the Westholme Theatre this evening? This play has been asked for by many who have either seen "The Narrow Trail" or heard of it. And Wm. S. Hart makes a fine bandit. He literally storms his way into the appreciation of his audience. He will not be denied. He fills the bill.

This drama is a large one, depicting big chances and broad spaces and is one which will grip the attention from the very first scene. There will be a fine comedy as well.

One, two—it's good to chew.  
Three, four—they all want more.  
Five, six—it comes in sticks.  
Seven, eight—the flavor's great.  
Nine, ten—come again  
—with Wrigley's!

## ROYAL STANDARD FLOUR

STILL THE FLOUR DE LUXE—DELIGHTFULLY PALATABLE, FULL-BODIED, FIRST IN NUTRIMENT AND BODY-BUILDING ENERGY.

"ROYAL STANDARD" is the choice of discriminating housewives today for the reason that there has been no lowering of its superb quality as milled under the present food regulations.

The marked pre-eminence of "ROYAL STANDARD" as a Baking Flour is not a matter of mere chance. Milled in a model plant, the various processes that make it the dependable flour it is today, are the result of years of exacting study.

WHAT IS TRUE of "Royal Standard Flour" holds equally true as to "Royal Standard Rye Flour." Its use by so many women nowadays as a substitute Flour in conjunction with "Royal Standard Wheat Flour means not only true economy for the home, but a patriotic saving of wheat that looms large in practical results.

# Grow Your Own Vegetables

CITY people this year must help to grow their own food. Every pound of vegetables that can be produced in home gardens or vacant lots will be a positive addition to the supply of food. Moreover the cultivation of land in city, town and village will leave market gardeners and farmers free to grow wheat and other supplies for export.

It may be that the only contribution which you can make towards relieving the dire food needs of our Allies will be a vegetable garden. If 200,000 families in Canada would cultivate a garden of this kind it would mean a very important aggregate addition to our food supply.

In Montreal vegetables to the value of \$100,000 were grown on vacant lots last year. Calgary had over 1,100 lots under cultivation, covering an area of 200 acres. Splendid results were achieved in other cities.

There is even greater necessity for war gardens this year. Tremendous interest in the movement is reported from all parts of the Dominion. Are you a member of a vacant lot organization? If none exists in your community help to organize one.

Home garden and vacant lot cultivation is really needed and may truly be considered a patriotic service.

## Organized Efforts Will Bring Best Results

Decide here and now to have a war garden. Persuade your neighbours to do the same. All the tools necessary are a spade, rake and hoe. The cost of seeds is a trifle. Grow only standard vegetables such as potatoes, beans, peas, beets, carrots, parsnips, onions and lettuce.

By growing your own vegetables you can not only perform a patriotic duty, you can also help to control the high cost of living.

Write to your Provincial Department of Agriculture for pamphlets on gardening and any additional information.
