### GOMPERS SCORES SOCIALIST PARTY

Cleveland, Ohio, April 24.—Socialism in America was branded as poisonous German propaganda by Samuel Gompers, president of the American Federation of Labor, in a speech in behalf of the Liberty Loan at the City Club here.

While the labor chief was excoriating Socialism and calling on labor and capital in Cleveland to join hands in speeding up the city's subscription race, Douglas Fairbanks, moving picture actor, was making a loan appeal before a crowd that jammed the largest theatre in town.

"There is no such thing as an American Socialist party," Mr. Gompers said. "The American Socialist organization is merely a branch of the one in Germany—it is part of German propaganda."

### IRISHMEN WILL OPPOSE NEW ACT

Dublin, April 25.—Fifty-five members of the Irish party met here and, with John Dillon presiding, unanimously adopted a resolution, "that in the present crisis we are of the opinion that the highest and most immediate duty of the members of this party is to remain in Ireland, and actively co-operate with their constituents in opposing the enforcement of compulsory military service on a nation without its consent, which constitutes one of the most brutal acts of tyranny and oppression of which any government can be guilty. The present proposal of the Lloyd George Government to enforce conscription in Ireland is an outrage and a gross violation of the national rights of Ireland."

In conclusion the resolutions pledge the party's influence and power to defeat conscription.

### NO PASSPORTS NEEDED NOW TO ENTER CANADA

Victoria, April 25.—An announcement that should do much towards encouraging tourist traffic to this country, and one that will be greeted by smiles by the steamship and railroad companies has been made by Ottawa to the effect that citizens of the United States and subjects of allied or neutral countries do not require to have passports to enter Canada. This is in accordance with a revision of the regulations governing travel between the republic and the Dominion during the period of the war.

Those born in enemy countries will not be allowed to cross the border under any consideration, except in the case of those who before the war were naturalized citizens of Allied countries. In the case of these latter, they must produce their naturalization papers, which must be endorsed by a British consul. Male travellers between 18 and 45 of possible military age will be asked to obtain non-resident cards from the immigration authorities in order to facilitate their departure.
