**Local News Notes**

Mr. W. F. Boyer of Skeena City, is paying a visit to Prince Rupert.

Dr. L. L. Cairns, of Terrace, is in the city, having come down with a patient.

Wallpapers, all grades; 10c and upwards.—Silversides Bros., Second Street.

Mr. John Currie, Jr., was among the passengers leaving last evening for Vancouver, where he will join up with the Royal Flying Corps.

Mrs. S. M. Newton, accompanied by Miss Newton and Mr. V. S. Newton, were among the passengers sailing for the south last evening.

General meeting of the Fish Packers Union will be held on Saturday night at 7:30 sharp. Urgent business—Good attendance requested.

Messrs. McNeill and Tyrer, provincial government auditors, who have been engaged in the city for the past several days, sailed last evening for Victoria.

Mr. and Mrs. W. G. Norrie-Lowenthal, of Hazelton, are paying a visit to the city for a few days, and are the guests of Mr. and Mrs. Bazzett-Jones, of Emmerson Place.

Mr. and Mrs. Bazzett-Jones who have been visiting in Hazelton for the past week or two, managed to return to town late last evening, after being held up for days by the slides up river.

A full muster of the Cadet Corps will take place Friday, April 25, at the Exhibiton Building. All intending members should join now, as time for entering closes April 30.

When hungry timber wolves infest the townsite in greater numbers, and really become a menace, there will always be one refuge for the citizens, when the pontoons of the drydock will find a real use, at last.

Independent Fishermen and Boat Owners meet Saturday night at 8 o'clock in the City Hall. To prepare data to lay before the Fishery Commission due here on Tuesday. We invite anyone interested to attend.

Mr. and Mrs. Malcolm Macleod, of Second Avenue, West, were among the passengers for Vancouver last evening. Accompanying them was their daughter, who has been ill for some considerable time past, and a specialist will be consulted in the south.

Mr. W. Balagno, the violinist, is hoping to leave town in the near future, just so soon as his application for admission to the Royal Flying Corps is accepted. He is but nineteen years old, and hopes to join as a cadet. Prince Rupert will miss him, as well as his violin, very much.

There is little definite information to be got regarding the train situation. The slides up river have been more troublesome than was at first expected, and one or two more small ones have come down, making the work the more difficult. The arrival of the stalled trains has been expected daily. Everything possible is being done to get them released.

"The food crisis is grave and urgent beyond the possibility of exaggeration."—Sir Robert Borden

# Help To Feed Yourself

Are you only a "destroyer of rations" when you might be a food producer?

Every pound of food that can be grown in Canada and made available for export, will be desperately needed by those who are bearing the brunt of the fighting and the suffering.

The amount of food produced this year will be absolutely limited by the extent to which people in cities and towns become food producers—there is no other labor reserve.

## WHERE DO YOU BELONG?

**On the Farm?**

Thousands of men are urgently needed on farms in this province to make possible increased production of food. Those who could go and yet hold back, should not forget that, unless production is greatly increased, hundreds of thousands of people will die of starvation.

**In the War Garden?**

By growing vegetables in home gardens or on vacant lots, and thus helping to feed themselves, city and town people can leave the farmers free to grow more food for export. All that is produced in this way is gain and a net addition to the national food supply.

War Garden service is not sufficient for the man whose rightful place is on the farm. But the War Garden does offer an opportunity for tens of thousands of people, whose circumstances oblige them to remain in the city, to have at least a small part as food producers. Interest the boys and girls in the War Garden, for they too can help to grow food.

If there is a garden or vacant lot movement in your community associate yourself with it. If no organization exists, do what you can to interest your neighbours in the War Garden campaign.

Write to your Provincial Department of Agriculture for additional information.

**ROYAL STANDARD FLOUR**

STILL THE FLOUR DE LUXE—DELIGHTFULLY PALATABLE, FULL-BODIED, FIRST IN NUTRIMENT AND BODY-BUILDING ENERGY.

"ROYAL STANDARD" is the choice of discriminating housewives today for the reason that there has been no lowering of its superb quality as milled under the present food regulations.

The marked pre-eminence of "ROYAL STANDARD" as a Baking Flour is not a matter of mere chance. Milled in a model plant, the various processes that make it the dependable flour it is today, are the result of years of exacting study.

WHAT IS TRUE of "Royal Standard Flour" holds equally true as to "Royal Standard Rye Flour." Its use by so many women nowadays as a substitute Flour in conjunction with "Royal Standard Wheat Flour means not only true economy for the home, but a patriotic saving of wheat that looms large in practical results.
