National Economic Council Is Advocated By Liberal Leader

Budget Must Be Balanced But People Must Also Be Given Livelihood, Declares T. D. Pattullo in Review of **Provincial Situation**

Before leaving for Vancouver today, asked as to what recommendations he thought the Kidd commission would likely make, T. D. Pattullo stated that he had no information but he added that he would not be surprised if their recommendations are drastic. Mr. Pattullo further said: "If we are to balance our budget and pay our bills it is obvious that the public services will#-

have to be considered in the light of their essentiality but merely cutting down expenses without ex panding opportunity for employ ment will only aggravate the situa-
