## BRITISH SEAMEN WILL BOYCOTT ALL THINGS GERMAN FOR YEARS

London, May 8.—Havelock Wilson, President of the British Seamen's and Firemen's Union, in a statement as regards the sacrifices of the mercantile marine, says that 5,000 British seamen have been murdered by German pirates during the war. Sea murders are growing, despite the decline in the number of ships attacked, because the Hun is more determined than ever that sailors in sunken ships shall not live to tell the tale.

British sailors were in deadly earnest in their determination to apply a punitive boycott to Germany after the war. Masters, officers and seamen were in hearty unanimity in their resolution not to handle stuff in any way connected with Germany, after the war. A year ago the limit of the boycott was for two years. Now, owing to the increase of such crimes it had been extended to five and one-half years.

He added that the seamen's league was growing daily. Already it had a hundred thousand members. Candidates for parliament at the next election who did not espouse the league's policy would have a poor chance.

## ALL GROCERS MUST BE LICENCED BY JUNE 1ST

Ottawa, May 8.—The Canada Food Board announced today that it has extended until June 1st the date on and after which it will be illegal for any retail grocer to carry on business, except under licence from the Food Board.

It is the intention of the board to enforce strictly its licensing regulations. These place upon the retail grocer the responsibility for insuring that he has a license, and any retail grocer who does not secure such license before June 1st will be held strictly to account.

Similarly the regulation that wholesalers and other licensees must not deal with unlicensed retail grocers on and after June 1st must be observed absolutely.

The extension of time was decided upon in order to enable all retail grocers in all parts of Canada to comply with the licensing order, and no retail grocer will have anything to excuse his failure to secure a license on or after June 1st.

Each stick he chewed his health renewed  
And helped his appetite for food!  
But his father said "The boy is wise,  
I let him do it to advertise!  
Since I quit my piping and bought this store  
I'm selling Wrigley's gum galore!"
