"SCANDAL" AT THE WESTHOLME TONIGHT

One of the new stars in film-dom is to be seen at the Westholme Theatre this evening in a great photoplay called "Scandal." This is a play of the same class which have proved so interesting. While scandal is a thing abhorred openly, a secret leaning towards this is sometimes seen around, and its effects are duly noted in the play. In addition to the play, there will also be a fine Gazette and a comedy. There will also be a matinee tomorrow afternoon, when "Polly of the Circus" will be screened. The show will start at 3:15 and there will be eight big reels.

THE MACHINIST'S STRIKE

Information given out this morning is to the effect that there is no change in the situation, whereby the Machinists in town are on strike. The men are standing firmly for their demands. They contend that the masters' suggested amendments to the agreement are detrimental to the men, but were conceded on the understanding that the agreement would be signed. At the last meeting held between the masters and mtn, a perfect understanding prevailed, and the refusal to sign the agreement came as a surprise on Monday. The men feel that they have been tricked into making concessions, which they otherwise would not have made, and now intend to fight.
