

INDIGESTION AND CONSTIPATION

Quickly Relieved By "Fruit-a-lives"

ROCHON, P. Q.
I suffered for many years with terrible indigestion and constipation. A neighbor advised me to try "Fruit-a-lives". I did so and to the surprise of my doctor, I began to improve and he advised me to go on with "Fruit-a-lives".

I consider that I owe my life to "Fruit-a-lives" and I want to say to those who suffer from indigestion, constipation or headaches — try "Fruit-a-lives" and you will get well".

INTERESTING ARTICLE IN POPULAR PAPER

In the current issue of the "Canadian Grocer" appears an article well worthy the perusal by residents of this city. The article is from the pen of Norman McIntosh, formerly of the Empire staff of this city, and the subject of the sketch is none other than our popular grocer on Third Ave., Mr. J. G. Gavigan. The story of this man's determination to make good, his overcoming difficulties in the east, his entry into the western zone of business and his rapid rise are all told in this cheery article in the way which is so well known to the friends of "Weemac." You may judge of the material afforded by such extracts as the following:

"Jack Gavigan could always get more for a ten dollar bill than any other fellow I ever knew," is what Fred Crapper has to say about him. And the words agree exactly with my own knowledge of J. G. Gavigan's business achievements in Prince Rupert, B. C. He was a keen buyer, and could sell as keenly against sharp competition.

Jack Gavigan went to Winnipeg in 1911 but did not linger long. His mates on the train scattered as men must after they pass the gateway to the Great West. He held on as long as his cash held out, and he arrived at last in Edmonton. The G. T. P. was not yet through to Prince Rupert.

The West is ever changing. Better times are on the way for Prince Rupert, in which case the Table Supply store may grow to much greater proportions. Conditions may alter as they did in Fort George, and the enterprising young proprietor may proceed to another thriving centre, and thrive with it. But the Table Supply started in Rupert in times that were none too good.

Modestly Mr. Gavigan attributes his success to the fact that he has always secured good men as assistants, and he declares emphatically that one good man is worth three of the doubtful sort.

So there is the plain story of a Toronto boy who went west with the determination to own his own grocery, and who has done what he declared in his heart he would.

The Canadian Bankers' Association

Invites the Co-Operation of the Public on Behalf of the Banks

Staffs Heavily Reduced by War

MORE than half the men in the banks of Canada are now on military service, and the number which remains is being steadily reduced.

Women clerks have been employed in thousands and have done splendidly, but they have not the experience of the men they replace. It would be out of the question to expect them to work as rapidly or with the same knowledge of banking as officers of many years training in the profession.

The drain upon the number of experienced officers has now reached a point where it is necessary to ask the public to take into consideration this decrease in efficiency, and to lighten, as far as they can, the burden thus thrown upon those left to run the business. Canada was never so busy as now and the volume of banking business is greater than ever before.

How the Public Can Help

Transact your banking business in the morning as far as possible, and as early as possible. Try to avoid a rush at closing time.

Do not draw any more cheques than are absolutely necessary. Instead of paying small accounts by cheque, draw the money in one amount and pay in cash.

Change in Banking Hours June 1st.

On and after June 1st banking hours will be: 9.30 to 2.30; Saturdays 9.30 to 12.00.

This arrangement will give the staff more time to complete the large amount of work which cannot be taken up until after the office is closed to the public.

Special Services Discontinued July 1st.

Certain services must of necessity be discontinued, for a time at least.

On July 1st banks will discontinue receiving payments for tax bills and the bills of gas, electric and other public service corporations.

The banks desire to render all essential services including many special ones arising out of the war. In order to do this they make this appeal for co-operation in the manner suggested above
