ISSUED BY THE MILITARY SERVICE BRANCH OF THE DEPARTMENT OF JUSTICE.

Ottawa, May 22, 1918.

Miss Beatrice Killin, of the telephone staff, is leaving this week on a vacation trip to the south. She will be away about two weeks.

D. G. Stewart and family will be leaving the city this week to spend some time in the south on a holiday. Mr. Stewart will probably be away about four or five weeks.

The Baptist Church are holding special services on Sunday next, at which the Children's choir will render special music. The juvenile choir has been practising under the direction of Mr. W. Vaughan Davies.

Mrs. Killin has recently heard from her husband in the old country who reports that there seems to be a big demand for men at the front just now. He is not sure as to whether they will pass him now for further service or not.

"Jimmy" Thomas is leaving again in the morning for Toronto where he is in the mechanical department in connection with the air service of the Canadian forces. It was surely good to see Jimmy looking so well and enjoying life as much as ever.

The petition of the city hall employees has had favorable consideration by the finance committee. The committee last evening recommended that a bonus of \$10 be granted at the present time to take effect from the first day of May. Those benefitting by this increase will be Messrs. Birch, Brooksbank, Vance, Allistone, and Miss Sullivan.

Yesterday morning was supposed to be "Blue Monday" and the weather man did not seem to help matters much, but we can testify to the fact that we heard a joyful sound at about 8:30 as a party of school boys passed by the office. One yelled to another some distance away: "Only fifteen more days of school." Now honestly can you blame them?

SHIPYARDS SPRING UP

London, June 8.—At a spot on the northeast coast of England, which was an open field at the beginning of March, there has been constructed, in a manner which a correspondent of The Times describes as almost magical, a fully equipped plant in which the keels of two steamships already have been laid. By the end of November, there will be a complete shipbuilding yard, with eight berths and a fitting-out basin, capable of completing a ship every two weeks. A force of 2,000 workers, including many women, is employed there.

Remnant day, Wednesday.—Wallace's. 135
