WOULD CHECK EXODUS TO BRITISH COLUMBIA

Regina, June 12.—The necessity of municipal authorities taking some steps to stem the tide of exodus of retired Saskatchewan farmers and business men to British Columbia was emphasized by Lieut.-Governor Lake in his address of welcome last week to the delegates of the thirteenth convention of the Union of Saskatchewan municipalities.

His Honor advocated the devising of some scheme to furnish more utility facilities and to encourage the development of beautiful surroundings in the towns and villages. Some seventy-five delegates representing the cities, towns and villages of the province are registered at the convention.

WILL HALIFAX BE IN TORMENT AGAIN?

Halifax, June 11.—A number of well known citizens, including D. McGillivray, president of the Board of Trade, have responded to an appeal by the mayor for 200 citizens to enroll as constables for special duty in Halifax in the event of a hostile raid either by air or sea. It is expected that every member of the City Council will enroll. The citizens will be supplied with revolvers and will be secretly instructed as to what they are to do in the event of an attack from the enemy.

SEVENTY-ONE SHIPS WERE LAUNCHED IN STATES DURING MAY

Washington, June 12.—The ship launchings in the United States in May, like the deliveries, set a new record. Seventy-one hulls, totalling 344,450 dead-weight tons, were put into the water. Thirty-nine of them are steel, with a capacity of 228,750 tons, and thirty-two are wood, of 115,700 tons.

Constipation Cured in His 78th Year without Drugs

Did you ever know any person who was permanently cured of Constipation by taking drugs of any kind? Drugs seem to assist Nature at the time, but as time goes on larger doses are necessary until the trouble becomes chronic.

Internal Bathing is the only real cure for Constipation. It keeps the Colon or Lower Intestine free from all accumulation. Soon the system performs its regular functions unaided, and there is no further trouble.

Mr. A. McLean, of Conger Lumber Co., Parry Sound, writes:—"I have been troubled with Constipation for the last 35 or 40 years, and could not pass one day without taking medicine. I have used the "J. B. L. Cascade" since getting it 21 days ago, with wonderful results. Will recommend any person to use it."

Dr. Chas. A. Tyrrell of New York, invented and perfected the "J. B. L. Cascade" for Internal Bathing, which is today the only efficient means of accomplishing the desired results. Dr. Tyrrell has published an interesting book on Internal Bathing, called "Why Man of Today is Only 50 Per Cent. Efficient," which can be had free for the asking of Cyril H. Orme, Druggist, cor. 3rd Ave. and 6th St. He will also be pleased to show and explain the "J. B. L. Cascade" to you.

Registration a Stupendous Task

One Day - SATURDAY - June 22nd

The task undertaken by Canada to register every male and female, British or alien, of 16 years and over, residing in the Dominion, is of stupendous proportions. The machinery that has been created is most comprehensive in its scope, and the information procured through this registration will be in such form as to make it possible for Canada to mobilize every available unit of human energy, either in the "First line of defence" or at home in support of her Allies.

Five million people will have to be registered in one day. It is estimated that one hundred and fifty thousand workers will be required to take this registration, or an army five times the size of the first Canadian contingent.

It will require at least six minutes to register one person. A Deputy working continuously can take only ten registrations per hour, or eighty for an eight hour day. On Registration Day the booths will be open fifteen hours; the Deputies therefore will have to work in two, possibly three shifts.

In order to make registration convenient and easy, 25,000 places of registration will be established throughout Canada, with from one to twelve booths at each place. The location of these booths will be advertised by Proclamation and through the local press.

Canada will be divided into 230 districts, each in charge of a Registrar, who is instructed to surround himself with a competent staff of deputies and assistant deputies in whatever numbers the work may require.

Volunteer Workers Urgently Needed

To carry out this vast programme efficiently and completely, intelligent voluntary helpers are essential. Individuals, women's societies, clubs, fraternal societies, church organizations and municipal organizations are asked to help.

The Board appeals with confidence to the patriotism of every Canadian man and woman and to the pride which every locality must take in doing its own work well, to furnish the necessary number of volunteer deputies and assistants.

Interpreters of all languages will be required. Those qualified should apply to the Registrar of their district at once.

Issued by authority of
Canada Registration Board

Superintendent of Registrars--C. E. Mahon, 45 13th Avenue W., Vancouver, B.C.
Registrar for Skeena District--O. H. Nelson, Prince Rupert, B.C.
