OU always know that Quaker Corn Flakes will be crackling crisp when they reach you. We toast them in electric ovens. Then to preserve their crispness and matchless flavour Quaker Corn Flakes are triple-sealed and wax-wrapped.

You will find their flavour more subtle ... more intriguing. For the ingredients are of the highest quality ever put into a corn flake. Special malt, pure CANE sugar, and salt of crystal purity.

We are confident that you will like Quaker Corn Flakes better than any other you have ever used. That is why we print on every package, "if you do not agree that this is the finest flavoured corn flakes you have ever used, write us and we will gladly remit you the cost of the package."

Why use ordinary corn flakes? You can serve Quaker for less than a cent a serving.
