

DANGER LURKS IN EVERY ONE OF US

We Are As Full of Deadly Poisons As A Germ Laboratory.

AUTO-INTOXICATION OR SELF-POISONING

"FRUIT-A-TIVES" Absolutely Prevents This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated, is poisoning himself. We know now that *Auto-intoxication*, due to non-action of the bowels, is directly responsible for serious Kidney and Bladder Troubles; that it upsets the Stomach, causes Indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain In The Back, are relieved as soon as the bowels become regular; and that Pimples, Rash, Eczema and other Skin Affections disappear when "Fruit-a-tives" are taken to correct Constipation.

"Fruit-a-tives" will protect you against Auto-intoxication because this wonderful fruit medicine acts directly on all the eliminating organs. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

"SLACKER" TREATY IS RECEIVED BY SENATE

Washington, June 15.—The British and American treaty signed June 3 by Secretary Lansing and the British ambassador was received by the Senate yesterday and a special meeting of the foreign relations committee has been called for today to consider it.

The treaty provides that Americans in British territory between 21 and 31—the United States draft limit—shall be subject to draft (including Canadians), between the ages of 18 and 45, the British draft limit, may be drafted by the United States.

The United States probably will not draft British citizens over the American maximum age of 34 years, Senator Hitchcock said.

MORE LUXURIES TO GO ON LIST OF IMPORTS CURBED

Ottawa, June 15.—The government, it is understood, has under consideration extension of the list of restricted luxury imports. Further fixing of prices is understood also to be receiving close attention. Decision is expected to be reached within a few days.

In regard to prices, numerous complaints have been received, since the passing of the order-in-council, that certain dealers have taken advantage of the situation improperly to advance prices. In such cases, it is estimated, there is likelihood of action to force prices down to a reasonable level.

Appendicitis Operations Not Always Necessary

Internal Bathing Relieves the Cause

Your physician will tell you that Appendicitis is an inflamed condition of the little sack called the Appendix at the lower right-hand corner of the Colon or large intestine. By cleansing this Colon with purified warm water by the "J. B. L. Cascade" this sack is cleansed and the inflammation subsides. Hundreds of inflammation have been avoided by using the warm water cure for Appendicitis. Mr. Jas. McLaughlin, 91 Evanston street, Winnipeg, writes:—

"I had spent over fifty dollars with doctors trying to cure Appendicitis. Finally the doctor said I must go to the hospital at once for an operation. Your advertisement interested me. I bought a 'J. B. L. Cascade,' which relieved me at once, and am now completely cured. Never felt better in my life; all pain and soreness gone, and I eat and sleep like a boy. I am grateful to Dr. Tyrrell for this wonderful health-giving invention."

95 per cent. of all human ills are caused by accumulated waste in the Colon. Internal Bathing with the "J. B. L. Cascade" keeps this large intestine as free from all waste and as clean as nature demands it should be for perfect health. Ask Cyril H. Orme, Druggist, corner 3rd Ave. and 6th st., for booklet called "Why Man of Today is Only 50 Per Cent. Efficient." It is free. He will also be pleased to show and explain the "J. B. L. Cascade" to you.

Register Ahead of Time Where You Can

THERE is good sound advice in the old saying—"Come early and avoid the rush." Come early to the registration booth on Registration Day—but better still—register before Registration Day, if you can.

It is going to tax the powers of deputy registrars to the utmost to handle the crowds on June 22nd. Realizing that to be so, many of these deputies are arranging to take beforehand the registration of any persons who care to present themselves.

The Board urges you to read the papers carefully for news items in regard to prior registration in your locality, and to take advantage of any facilities offered in that connection. Enquire of your employer as to the arrangements in effect for advance registration at the place where you work. He can readily make such arrangements, if he has not already done so.

REMEMBER

That registration ahead of time is valid registration—it is complying fully with the law.

That by so registering you will almost certainly be saving yourself great inconvenience on Registration Day.

That every registration taken beforehand is so much of the job done—so much of the load lifted from the overburdened registrar—so much congestion avoided.

Study your own convenience, aid the Volunteer Deputy, obey the law, and serve Canada, by registering early in the week if you can, or, in any event, early on The Day.
