BRITAIN CALLS UP HER MEN OVER 49

London, June 15.—Men aged from 49 to 51 have been called up for medical examination. The chairman of the Bristol Tribunal said yesterday that Sir Auckland Geddes had told him he was trying to meet the urgent need for men for a year or two longer and expected that the tribunals would do the same. He was aware of the public feeling about calling up the older men while younger ones remained, but some of the younger men are essential to the munition supply and can not be removed to the fighting front until the older men are able to do their work.
Sir Auckland had added that there were 60,000 fewer men in the government departments now than three years ago. No industry was more denuded of grade one men.

PICNICKERS MUST NOT WASTE FOOD

Ottawa, June 15.—The Canada Food Board is receiving a great number of enquiries regarding the food regulations applying to picnics, garden parties and lawn socials. Special permits to serve food contrary to the regulations are being asked for, but such will not be given.
Henry B. Thomson, chairman of the Food Board, states that enactments of the regulations was prompted by the need of saving food and that any little discomfort to which picnickers or other persons patronizing a function of this kind might be put, is negligible in the face of the stern necessity of war conditions.

SYNOPSIS OF LAND ACT AMENDMENT
Pre-emption now confined to surveys, lands only.
Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.
Partnerships, pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but such making necessary improvements on respective claims.
Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 2 acres, before receiving a Crown Grant.
Where a pre-emptor is occupying not less than 2 acres, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.
Records without permanent residence may be issued provided applicant makes improvements to extent of \$200 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.
Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.
TOWNSITE PROPERTY ALLOTMENT ACT.
Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the purchaser from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.
For information apply to any Provincial Government Agent or to
G. R. NADEN,
Deputy Minister of Lands,
Victoria, B. C.

Procedure of Registration

On June 22nd every person residing in Canada, male or female, British or alien, of sixteen years or over, must attend one of the registration booths located in his or her district, and there observe the procedure explained below.

Where to Register

Every person required to register has the privilege of registering at any of the public places provided for that purpose. The location of all such places will be specified in proclamations posted conspicuously.

In Cities and Towns, many of these places will be open for registration purposes prior to Registration day. Where such arrangements are made, the local papers will supply full information.

Large industrial and business concerns are being asked to provide facilities for registering their employees. Where they do so business will not be interfered with, and employees will suffer no loss of time.

How to Register

The procedure of registration is simple. The questions upon the registration card can be answered very easily, but they must be answered truthfully and fully.

The card shown in the illustration is a facsimile of the registration card for females. An advertisement showing the card for males appears in another paper.

Study the questions carefully so that you will be able to answer them promptly when registering. If you have any special qualification, or feel that your services would be more beneficial to the country in some other line of work, say so.

While all are compelled to register on Registration Day, it is not contemplated by the Government to force the sick, feeble and aged to turn out. If such persons will notify the Registrar prior to June 22nd of their inability to attend at a place of registration, an effort will be made to register them at home, provided the request is reasonable and justified.

Remember the Day—June 22nd—Remember the Hours—7 a.m. to 10 p.m. Register early and get your Certificate for your own protection.
