The city council last evening recommended the gift of \$100 for the purpose of assisting in the improvement work at the salt lakes. It was noted that the council had only \$500 to spend on things of like character so could not grant the major portion to one end.

Take a trip to the salt lakes on the launch Alice B. Boat leaves P. R. Boat House for salt lakes every hour commencing 10 a. m. on Sundays and 2 p. m. on Wednesdays. The news items in this paper yesterday which were copied from the Vancouver Province and had to do with the drydock situation, have caused quite a stir in the city and especially in the centres where real estate and rentals are important topics. A good way to hurt this town in competition with our southern neighbor is to boost rents and real estate values. There is more to be said on this matter in the near future.

Some of the aldermen were surprised to learn last night that tenders were called for the printing of the telephone directory, for when the city clerk announced that he had a tender no one seemed to understand just what the same was for. The clerk opened the same and found that it was for printing the telephone directory, and the figure quoted was \$145. The matter was left to the city purchasing agent and to the finance committee with power to act.
