SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only.
Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.
Partially pre-empted lands, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.
Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where a pre-emptor in occupation not less than 5 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued provided applicant makes improvements to extent of \$200 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes, areas exceeding 640 acres may be leased by one person or company.

PRE-EMPTIONS FREE GRANTS ACT.

This Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

TOWNSITE PROPERTY ALLOTMENT ACT.

Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the purchaser from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.

For information apply to any Provincial Government Agent or to
G. R. NADEN,
Deputy Minister of Lands,
Victoria, B. C.

Woman's Outlook on Canada's Future

THE splendid spirit and patriotic endeavour of Canadian women has been one of the outstanding features in Canada's war effort. They have unsparingly given of their time and energy in the interest of the Red Cross and innumerable other activities which have come as a result of the war. Thousands of Canadian women have been anxious to devote part, if not all of their time, in directions where their work would prove of advantage.

Registration will be the means of bringing to these women the opportunity they have desired. The purpose of registration is to learn the exact capabilities of Canadian men and women, and the information gained through registration will make it possible for Canada to direct effort from less essential to more essential occupations and to widen the scope of woman's usefulness.

Every Woman

On June 22nd, every woman of sixteen years and over must attend at one of the places provided for registration between the hours of 7 a.m. and 10 p.m. and there truthfully answer all questions set forth upon the registration card. Failure to register means heavy penalties—as Registration is law.

Volunteer Workers Needed

The registering of 5,000,000 people in one day is a stupendous task, and voluntary helpers are urgently needed. Individuals, women's societies, clubs, fraternal societies, church organizations and municipal organizations are asked to help. The Board appeals with confidence to the

patriotism of every Canadian woman and to the pride which every locality must take in doing its own work well, to furnish the necessary number of volunteer deputies and assistants. Those willing to offer their services should apply to the Registrar in their district.

Issued by authority of
Canada Registration Board

Registrar for Skeena District—O. H. Nelson, Prince Rupert, B.C.
