RUSSIAN WAR ORDERS NOW LIE FORGOTTEN

Montreal, June 21.—A veritable
mountain of costly and rare steel
materials, for which Canada is
looking every day in vain, are ly-
ing idle on the docks and freight
cars at Vancouver, said a Cana-
dian war board official in an inter-
view here today.

"About 50,000 tons of light
rails, spikes, angle iron, spare
parts of engines and cars have
been lying in their present posi-
tion for several months awaiting
orders for transshipment to Rus-
sia. Russia has apparently for-
gotten the stuff while disputing
over theories of state. The Cana-
dian railway war board has known
of the situation for months and
has been awaiting action by the
allied authorities in response to
its representations, its interest
lying in the fact that such valu-
able material is rusting away
while it could be made use of by
the Allies.

"Anyone who knows of the
scarcity of steel materials for in-
dustrial purposes can imagine
what these piles of steel products
look like to the hungry eye of
Canadian industry. It is easy
enough to understand why cargoes
may be allowed to rot and rust at
wharves at Vladivostok, but why
this should happen in Canada is
beyond easy understanding," was
the concluding comment of the
war board official.

SYNOPSIS OF

LAND ACT AMENDMENT

Pre-emption now confined to surveyed
lands only.
Records will be granted covering only
land suitable for agricultural purposes
and which is non-timber land.
Partnership pre-emptions abolished,
but parties of not more than four may
arrange for adjacent pre-emptions, with
joint residence, but each making neces-
sary improvements on respective claims.
Pre-emptors must occupy claims for
five years and make improvements to
value of \$10 per acre, including clearing
and cultivation of at least 5 acres, be-
fore receiving Crown Grant.
Where pre-emptor in occupation not
less than 3 years, and has made propor-
tionate improvements, he may, because
of ill-health or other cause, be granted
intermediate certificate of improvement
and transfer his claim.
Records without permanent residence
may be issued provided applicant makes
improvements to extent of \$300 per an-
num and records same each year. Fail-
ure to make improvements or record
same will operate as forfeiture. Title
cannot be obtained on these claims in
less than 5 years.
Pre-emptors holding Crown Grant may
record another pre-emption, if he re-
quires land in conjunction with his
farm without occupying it, provided
statutory improvements made and resi-
dence maintained on Crown granted
land.

Unsurveyed areas, not exceeding 20
acres, may be leased as homesteads;
title to be obtained after fulfilling resi-
dential and improvement conditions.
For grazing and industrial purposes,
areas exceeding 640 acres may be leased
by one person or company.
PRE-EMPTORS' FREE GRANTS ACT.
The scope of this Act is enlarged to
include all persons joining and serving
with His Majesty's Forces. The time
within which the heirs or devisees of a
deceased pre-emptor may apply for
title under this Act is extended from
one year from the death of such person,
as formerly, until one year after the
conclusion of the present war. This
privilege is also made retroactive.

TOWNSHIP PROPERTY ALLOTMENT
ACT.
Provision is made for the grant to
persons holding unoccupied Agree-
ments to Purchase from the Crown of
such proportion of the land, if divisible,
as the payments already made will
entitle them to in proportion to the
whole parcel. Two or more persons
holding such Agreements may group
their interests and apply for a propor-
tionate allotment jointly. If it is not
considered advisable to divide the land
covered by an application for a propor-
tionate allotment, an allotment of land
of equal value selected from available
Crown lands in the locality may be
made. These allotments are conditional
upon payment of all taxes due the
Crown or to any municipality. The
rights of persons to whom the prop-
erty is also protected. The decision of
the Minister of Lands in respect of
adjustment of a proportionate allotment
is final. The time for making applica-
tion for these allotments is limited to
the 1st day of May, 1919. Any applica-
tion made after this date will not be
considered. These allotments apply to
town lots and lands of the Crown sold
at public auction.
