 "Three years ago, I began to feel run-down and tired, and suffered very much from *Liver and Kidney Trouble*. Having read of 'Fruit-a-lives', I thought I would try them. The result was surprising. I have not had an hour's sickness since I commenced using 'Fruit-a-lives', and I know now what I have not known for a good many years—that is, the blessing of a healthy body and clear thinking brain."

HUNGER INSPIRES THE AUSTRIAN OFFENSIVE

Italian Army Headquarters, June 22.—That Austria's drive against Italy is positively "a hunger offensive" has been proved by new orders and addresses found upon prisoners. These were signed by officers ranging from Field Marshal Conrad von Hoetzendorff down to regimental commanders. One is issued by the commander of a famous regiment bearing the name of Archduke Charles. It says:—

"Soldiers, remember the spoils we got last fall from the Italians. The sheep, cows, steers, warehouses full of good clothes and grocery stores full of wines, canned goods, flour and sugar. Think of your family. Think of the white bread you can win for all."
 The correspondent has visited groups of hundreds of prisoners, all of whom are thin and weak. They say they had had little food for the past month and spoke with horror of winter months. A sample of their black bread showed that it was made of rye straw and potatoes.

Many of the prisoners have strong, well spiked shoes, but these, they claim, they made themselves or bought. Their clothes, however, are falling apart. Most of them have mere rags for shirts. The majority of the prisoners have money, but it is in paper bills or iron medals for valor, some of them having two or three of them, but these decorations are of base metal and none are of gold or silver.

SYNOPSIS OF LAND ACT AMENDMENT

Records now confined to surveys, lands only.
 Records will be granted covering only land suitable for agricultural purposes and which is non-timber land. Pre-emption, pre-emption, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.
 Where a pre-emptor is occupation not less than 5 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.
 Records without permanent residence may be issued provided applicant makes improvements to extent of \$200 per annum and records same each year. Failure to make improvements of record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.
 Unsurveyed areas, not exceeding 20 acres, may be leased as homestead; title to be obtained after fulfilling residential and improvement conditions.
 For grazing and industrial purposes, areas exceeding 640 acres may be leased by one person or company.

PRE-EMPTORS' FREE GRANTS ACT.
 The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

TOWNSHIP PROPERTY ALLOTMENT ACT.

Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the purchaser from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect of the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.
 For information apply to any Provincial Government Agent or to
 G. R. NADEN,
 Deputy Minister of Lands,
