BOLSHEVIKI LEADERS REPORTED TO BE IN FLIGHT-- ALLIES MAKE ADVANCES

BRITISH AND FRENCH LINES ADVANCED ON WEST FRONT

EAST OF NIEPPE FOREST BRITISH ADVANCE TO DEPTH OF ONE MILE, AND FRENCH NEAR SOISSONS MOVE FORWARD A MILE AND A QUARTER-- BOTH ADVANCES ABOUT FOUR MILES WIDE

(Special to The Daily News.)

London, June 29.—British troops in attacks against the Germans, have advanced their line over a front of nearly three and a half miles to the average depth of nearly a mile east of the Nieppe Forest. West of Merris, the Austrian troops have captured positions. On both sectors, prisoners and machine guns were taken.

To the southwest of Soissons, the French troops in an attack over a front of four and a half miles, captured the German positions and have advanced to a depth of a mile and a quarter.

Peace Move Fails.

London, June 29.—Another attempt to throw out peace feelers via Switzerland has failed, it is reported here in dispatches from Zurich. Austria-Hungary, through unofficial representatives in Switzerland during the past few days has attempted to discover the Allied standpoint regarding important questions. The emissaries failed completely and returned to Vienna.

German Deserters.

Paris, June 29.—Three barbed wire fences, one of which is charged with electricity, have proved ineffectual in hindering the German soldiers from deserting across the frontier into Switzerland, says a Havas dispatch from Basle. The German military authorities have attempted to remedy this evil by cancelling all leave of absence, and special privileges for soldiers returning from Alsace-Lorraine.

Air Victories.

London, June 28.—Twenty German aeroplanes were destroyed by British aviators in the air fighting over the western front on Thursday, according to a British communication issued here tonight. In addition, many enemy aircraft were forced to the earth out of control.

KORNILOFF AND KALÉDINES OVERTHROW THE BOLSHEVIKI GOVERNMENT IN MOSCOW

(Special to The Daily News.)

London, June 29.—According to unconfirmed reports here today, the Bolshevik government in the city of Moscow has been overthrown, says a dispatch to the Exchange Telegraph Company from Copenhagen. Moscow, the report adds, has been captured by General Korniloff, supported by German troops. Advances from the same sources assert that the Grand Duke Nicholas has been proclaimed emperor. Nicholas Lenine, the premier, and Leon Trotsky, the minister of war, are said to have fled to the Murman coast. General Kaledines is said to have operated with Korniloff in the capture of Moscow.

Kerensky the Man.

Copenhagen, June 29.—Newspapers, dispatches say, are giving prominence to a Berlin dispatch quoting the Tages Zeitung of that city as follows:

"It is believed here that the Bolshevik Government will soon be overthrown, and that Kerensky is the man of the future in Russia."
