FINE HOLIDAY FARE AT THE WESTHOLME

"A Rich Man's Plaything" is the
title of the play to be screened at
the Westholme Theatre this even-
ing. This is the story of a rich
man who changes his name and
goes to work in his own cannery,
unknown to the manager. The ac-
quaintances he makes there, and
the things that happen, turn out
curiously. He assists one of his
own employees to put the crimp
in himself, as owner, doing this
all the while as worker. Even-
tually, of course, it all comes out,
making the plot of a very fine
play. There will also be a splen-
did gazette and comedy as well.

When on Monday, there will be
Douglas Fairbanks in "Reaching
for the Moon," which is a whirl-
wind of action and a riot of fun.
This play has New York and Liza-
bet as the back grounds. The re-
production of the Venetian settings
is well done, with picturesque
canals and romantic gondolas.
This production has been made
upon a lavish scale, and will prove
to be a great attraction on the
Monday holiday.

In the Letter Box

To the Editor, Daily News,
Dear Sir,—May I ask to be al-
lowed to draw special attention to
the request of the Dominion Gov-
ernment that Sunday, June 30th
be observed throughout the Do-
minion as a day of humiliation
and prayer; humiliation for our
shortcomings, and prayer that the
nation be made wrothier, and that
victory be given to our armies.
This is a call to all who have
faith in God to unite in earnest
supplication for the cause of the
Allies on Sunday first; and the
person who does not in private or
in public take his or her part in
this great spiritual "push" is fail-
ing in a most important "arm of
the service."

Those at the head of all na-
tional endeavor fully realize the
necessity of the help of God, and
it is no formal call they make to
the people when they ask them to
bring themselves and their nation
in touch with the most high, but
an earnest request that every pa-
triotic citizen will seize upon this
real power against the enemy and
on Sunday let a mighty volume of
prayer arise from the heart of
millions to the ear of the Supreme
Governor of the Universe.
(Canon) G. A. RIX.

The Swedish Lutheran Sunday
School will hold its annual picnic
tomorrow, Sunday, to Digby Is-
land. Children, their parents and
other friends, are requested to be
at the government wharf at 10
o'clock. Bring your lunch bas-
kets. In case of rain, services
and Sunday School will take place
at the regular time at the church.
Ladies Aid at the church next
Thursday at 3 o'clock in the after-
noon. 1f

This weather promotes Coughs

Those who have trouble in
shaking off a cough should
note that Mather's Syrup of
Tar and Cod Liver Oil not
only soothes the irritation of the
bronchial tubes, and
promptly stops the cough,
but being a potent tonic and
healer it soon restores the
system to normalcy and throws
off the cold and restores the
mucous membranes to their
normal healthy condition.

Mather's Syrup of Tar and
Cod Liver Oil has won, by
its merit, the largest sale in
Canada of any medicine for
coughs—see large bottle,
sold everywhere.
