DRAMA OF AVIATION

Wallace Beery and Clark Gable Stars of "Hell Divers," Week-End Capitol Offering

"Hell Divers," sensational romance of naval aviation, is the interesting feature offering at the Capitol Theatre here this week-end. The picture combines some of the most remarkable airplane maneuvers ever staged for the screen with a dramatic plot which, with all its romantic qualities, has something heroic about it.

The picture co-stars Wallace Beery and Clark Gable, prominent supporting roles being taken by Conrad Nagel, Dorothy Jordan, Marjorie Rambeau, Marie Prevost, Cliff Edwards and John Miljan. Many of the scenes were filmed at Panama during actual maneuvers of the United States Navy.

The story deals with the rivalry between Beery, as a navy veteran, and Gable, a new type of sailor, and typifies the conflict between old and new ideas in naval operations. The central romance is between Beery and Miss Rambeau as the keeper of a Panama resort. In the climax Beery gives up his life in rescuing his rival in the true spirit of the navy.

YOU'D NEVER KNOW HER...

... FOR THE SAME BABY

This is what Mrs. Albert Bolton, of Toronto, writes: "Our little girl, Margaret Jean, was nursed for the first few months, but this did not satisfy her. I had heard about Eagle Brand and decided to try it. She took to it right away and there has been no trouble since. Her flesh is firm; lovely, straight limbs, good bone development, and she is so contented. Last September she won third prize at the Canadian National Exhibition, against 102 entrants.

If you are unable to nurse your own baby, send for Baby Welfare literature.
