Are The Four Fruits Used in Making "Fruit-a-tives"

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. 95% of Illness Due to One Cause

Physicians agree that 95 per cent. of all illness is possible only because of accumulated waste in the Colon (Lower Intestine). In fact, the most eminent of the World's Specialists claim that if the Colon were always kept clean the average life of humanity would be doubled.

There is now a new and simple method of clearing the Colon of this poisonous waste, and keeping it clean, pure and healthy. Of curing Constipation and the depressing bilious attacks which make us dull, blue and inert—without any spirit of ambition.

That method is Internal Bathing with warm water, administered by the "J. B. L. Cascade," apply termed "Nature's Cure." Over 500,000 people are now enthusiastically using this modern warm water cure, and physicians are prescribing it everywhere. It is making sick folks well, and well folks better, stronger, more ambitious, energetic and confident.

This letter from Mr. A. Maclean of Conger Lumber Co., Parry Sound, Ont., a sufferer for 35 years from Constipation, is very valuable.

Parry Sound, Ont.

Dr. Chas. A. Tyrrell, Toronto: Dear Doctor,—I have used the J. B. L. Cascade since I received it 21 days ago with wonderful results. Before I started this treatment I could not pass one day without taking medicines; since have not taken one dose, and feel so much better in every way.

I have been troubled with Constipation for the past 35 or 40 years, and of course at my age cannot expect a speedy cure, as I am now in my 75th year, but the relief it has already given me is a promise of the good it will do for me.

I think a good many orders will come from Parry Sound as the treatment becomes known.

I cannot speak too highly of the Cascade treatment, and will surely talk much about it.

Yours gratefully,

A. Maclean.

The "J. B. L. Cascade" is now being explained and shown at Cyril E. Orme's Drug Store, cor. 3rd Avenue and 6th Street, Prince Rupert, and they will be glad to explain its action and uses to you in detail.

If you cannot call, you should write to-day to Chas. A. Tyrrell, M.D., 143 College Street, Toronto, for booklet, "Why Man of Today is Only 50 Per Cent. Efficient."

LUX

To give sweater coats a new lease of life

Now that sweater coats are getting more expensive, it is more than ever desirable that you wash yours with LUX. Of all things a sweater coat, which is seen so much, must be kept soft, fluffy, fleecy and "new" in appearance. You can keep yours that way and wash it again and again if you do this:

Pour boiling water over LUX flakes—pure essence of soap—allowing 3 or 4 tablespoonfuls for every gallon of water you use. Whip into a creamy lather—a few seconds is needed. Then put in the garment and stir it about. Let it soak until cool enough for your hands to squeeze the water out of the coat—the dirt just runs away. Rinse in two or three relays of tepid water, and hang to dry.

Very simple. Anyone can do it—just a few minutes' work and you get a result that the most expert French cleaner might well envy.

LUX won't shrink woollens. Won't hurt any fabric or color that pure water can safely touch.
