

BEDRIDDEN WITH RHEUMATISM

Felt That He Would Never Walk Again "FRUIT-A-TIVES" Brought Relief.

MR. LORENZO LEDUC

3 Ottawa St., Hull, P.Q.

"Fruit-a-tives" is certainly a wonder. For a year, I suffered with *Rheumatism*; being forced to stay in bed for five months. I tried all kinds of medicine but without getting better; and thought I would never be able to walk again.

"One day while lying in bed, I read about 'Fruit-a-tives' the great fruit medicine; and it seemed just what I needed, so I decided to try it.

The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me.

I have every confidence in 'Fruit-a-tives' and strongly recommend them to every sufferer from Rheumatism".

HUGE GAS BOAT FLEET ENGAGED IN FISHING

The fact has recently been made public that on the Pacific seaboard of the United States and Canada there are over 25,000 motor boats engaged in the business of catching and transporting the immense annual haul of 50 million pounds of salmon and of halibut as well as a huge wealth of other fish.

A few years ago a number of steam vessels were operating this trade, but one by one they have been abandoned in favor of the cheaper and more suitable craft, and today there is scarcely one doing service in the salmon industry, and only one or two continue to operate in the halibut fishery. Sailing vessels are used only for cod fishing and as carriers for canned salmon from Alaska packing plants.

The large number of gasoline boats which have been brought into existence during the last few years is all the more startling when it is considered that there is not a single gas-power boat in the salmon industry of this coast a decade and a half ago.

Furniture wanted. Any quantity. Good prices paid for complete household furnishings and all kinds of tools, mens suits, coats, etc. Phone Red 243 or call n F. M. Crosby, 715 Third Ave.

A Clergyman's Wife Wants Women to Know Advantages of Internal Bathing

If women could only see the thousands of letters Dr. Tyrrell has received from grateful women in all parts of the world, thanking him for his wonderful invention for Internal Bathing, they would soon discard the medicine bottle and look to the cause of their trouble. 95 per cent. of all human ills are due to accumulated waste in the Colon or Large Intestine. Warm water, properly used with the "J. B. L. Cascade," will relieve the cause of your troubles and perfect health will follow.

A Winnipeg clergyman writes:

"My wife is naturally sensitive about having her name appear in public print, yet is anxious that others should know what the "J. B. L. Cascade" has done for her. It has really given her a new lease of life. For years she had been doctoring for Constipation, which became worse every year. Since using the "J. B. L. Cascade," first about 4 years ago, she has not been sick a day, and has become robust and strong again. Should any person wish this letter confirmed, you are at liberty to give my name in private."

The "J. B. L. Cascade" is shown and explained by Cyril H. Orme, Third Avenue, Prince Rupert, B. C.

The "J. B. L. Cascade" is an invention, perfected by Dr. Chas. A. Tyrrell of New York, and has done more during the past few years to restore health and lessen disease than all other means combined. Ask for booklet explaining all about Internal Bathing and what it has done for others." It is free.

Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McCary of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast. All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast. You'll find it is good on cakes and
